

Hildebrand Receives 2nd Graduate Certificate

Robert J. Hildebrand, assistant trust officer of the Granite City Trust & Savings Bank, has received his second graduate certificate from the American Institute of Banking in St. Louis. It was announced today by E. A. Karandjeff, bank president.

During a dinner at the Chase-Park Plaza Hotel, Hildebrand was awarded the graduate certificate in commercial banking. He received his first graduate certificate in the field of trust in 1964. Hildebrand, a 13-year employee at the bank, also holds a bachelor of science degree in business administration

Mitchell AC will Give Dance Saturday

The Mitchell Athletic Club will sponsor a benefit dance on Saturday, May 16, at 9 p.m. in the Pontoon Beach Fire Hall and will feature "The Starlighters Band."

Proceeds will be used to sponsor sports activities for the boys and girls in the Mitchell area during the summer months. Tickets are available from club members or at Gene's barbershop in Mitchell and will be sold at the door for \$1.50 per person or \$3 per couple.

Ottwein Chief Sponsor Of Anti-Pollution Bill

State Senator Merrill Ottwein announced yesterday the introduction of an anti-pollution bill that would provide \$750 million to clean up the waters of Illinois.

If it is enacted and then approved by the voters at a referendum in November, the state would be authorized to set \$750 million in bonds and use the proceeds to launch the attack on pollution of Illinois waterways.

"We are at a crossroads in the fight to preserve our environment," Ottwein said. "The time for talking about the problem of pollution is past. The time for a decisive response is

here. This bill represents the opening volley in the governor's war on pollution and I am pleased and honored to be associated with it."

He said that the \$750 million bond issue is a key component in a series of anti-pollution measures before this session of the General Assembly.

"Months of planning have gone into preparing an effective, statewide response to pollution in Illinois," Ottwein said. If the proposal I am sponsoring and the measures the governor has placed before the General Assembly are enacted into law, Illinois will have the finest anti-pollution program in the nation.

"I am particularly pleased to be the chief sponsor of this bill," Sen. Ottwein said, "because pollution of the Illinois environment is one of the principal issues I wish to attack as a state senator. No problem is more urgent. No problem will require as much energy and imagination. I welcome the challenge."

Kindergarten Testing At Maryville School

Maryville school will conduct another Kindergarten Testing session on Friday, May 15, according to an announcement made this week by Jack Mueach, principal. This second session has been designed for parents who have not as yet registered their youngsters for the fall term.

Parents are urged to call the school at 831-2044 for an appointment and are asked to bring their child's birth certificate when registering. Children must be five years old prior to Dec. 31.

The principal requests all parents to take advantage of this extra session instead of waiting until opening school day in September when it will be impossible to test a group of new students.

Charter Issued for Girls' Soccer League

A not-for-profit corporation charter has been issued by Secretary of State Paul Powell for the Madison County Girls' Soccer Association, 333 Edison avenue, and Charles E. Hoskin III, retired Army colonel and former Depot commander, voted for preparation of a resolution to endorse SODA (Save Our Depot Association).

At Mrs. Ortiz's request, an alderman, Walter Nomm, was named to serve on the SODA board of directors. She also

City Council Endorses SODA Campaign

Granite City council members approved three courses of action Monday night in a continuing effort to keep the Army Depot open here despite receipt of a letter from a high military source that the closing order "cannot be reversed due to stringent economy measures."

Authorization was given for Mayor Partney to receive a \$250 expense allowance to go to Washington, D. C., to plead the case of the city, aided by officials of the Steelworkers and Operating Engineers unions.

The allowance was questioned by Alderman Robertson, who was advised by Mayor Partney that an itemized accounting would be presented the city clerk upon his return, and if all money was not needed, it would be returned to the city.

Council members, at the request of Mrs. Jean Ortiz of 1701 Edison avenue, and Charles E. Hoskin III, retired Army colonel and former Depot commander, voted for preparation of a resolution to endorse SODA (Save Our Depot Association).

Nomm Named to Board
At Mrs. Ortiz's request, an alderman, Walter Nomm, was named to serve on the SODA board of directors. She also

asked that Col. Hoskin be heard. Several council members expressed reluctance, saying they had not agreed with all of the depot's policies when he was depot commander.

When Mrs. Ortiz protested, Basarich said the issue was over stop signs on city streets near the depot.

However, Hoskin was given permission to speak and explained the origin of the association, before pointing out he had spent four years in the Pentagon and knew the ins and outs of military decisions to close down installations.

"I worked in that very department, and I know the Army has revoked such decisions under pressure of the people. I know an Army order can be revoked. The big thing," the colonel said, "is to write letters to our Congressmen. Petitions are important and SODA has them in circulation by the hundreds. We'll have thousands upon thousands of signatures. No one has turned us down yet."

This was verified by Alderman Schuler, who operates a drug store and has a petition on his counter. He said he and his staff are pushing it, and "everybody is signing it."

Col. Hoskin called for the letters of appeal to be sent not only to U. S. Senators Percy and Smith and Rep. Price, but also to Gov. Ogilvie and Lt. Gov. Simon. "I'm going to see Gov. Ogilvie and ask him to endorse SODA."

Poll of Employees

The Association, Hoskin said, took a poll of depot employees and has compiled the results. "I can make some of the results available to you now. For example, 33.9% of the present depot employees will be on welfare after the depot closes, and in response to the question, 'If you are transferred, will your family go with you?' the replies showed 51% of these families would not go. That's a deplorable condition."

He explained that SODA will conduct its campaign on a businesslike basis and would concentrate on letter writing to Congressmen, circulating peti-

tions to be presented to the Army and stressing the need for a hearing before authorities to review the review of the depot closing by the Department of the Army.

The colonel said the association's volunteer staff is functioning efficiently and includes an investigative staff to track down rumors.

Checking Rumors

Among the rumors are that the federal government plans to turn the Chain of Rocks canal and locks over to the state of Illinois and that money interests in the city would like to see the depot close.

Hoskin was challenged by Alderman Nomm, who asked, "Who's trying to sabotage the depot? Everyone I've talked to wants it to stay open."

The colonel said that he had people trying to pin down the rumors.

Support of the Association's operations are through donations and volunteer work. "We presently are in the black, and we have plenty of volunteers, including depot workers, their wives and towns people including a clerk in a bank who comes to the SODA headquarters in the evenings to bang a typewriter."

"All activities are governed by the board of directors headed by Gilbert Novotny, president of the St. Louis National Stockyards, and we still have about 10 vacancies on our board. I'm a full-time volunteer worker, and I'm no longer gagged by the Army."

Depot's Rating

When asked how the local depot was rated by the Army, Hoskin replied it was in the middle to low middle, but that the local depot had been hampered because of the slow rate in computerizing its operations.

He added that the depot was rated high in hiring the handicapped and the hard core unemployed and in participation in the neighborhood youth program, as well as receiving top awards in connection with Red Cross blood bank programs, U. S. Savings Bond programs and the United Fund.

"The depot has and can contribute to the benefit of the community, and you can't measure it in dollars and cents," Hoskin told the council.

He submitted a copy of the proposed resolution for endorsement of the Save Our Depot Association, and was advised by the council that it would be prepared by the city attorney for adoption at the next meeting.

SODA Poll Shows Impact On Depot Employees

Concern over the large number of families that will be separated as a result of transfers with the closing of the Granite City Army Depot was expressed Tuesday by Gilbert Novotny, president of the St. Louis National Stockyards Co. and president of SODA (Save Our Depot Association).

During the meeting of the SODA executive board, Novotny announced results of a poll conducted among depot employees in which 1000 questionnaires were sent out with 65% response.

He stressed that the poll showed 51% of the employees subject to transfer would not be joined by their families and 33% would be applying for welfare.

"Employees Not Soldiers"

Civil Service employees are not soldiers, and when they accepted positions with the federal government, most assumed they would remain in one location," Novotny said.

"The Army, in trying to reduce the unemployment resulting from the proposed depot closing, is offering some employees positions in Pennsylvania, Colorado and other states. As a result, many working wives and adult working family

Mrs. Lewis Cites Laws on Madison Legal Department

Mrs. Louise Lewis, candidate for mayor of the city of Madison, entered the 30-day appointment controversy between two disputing factions by pointing to a city ordinance establishing the positions of corporation counsel and city attorney.

Section 5 on qualifications of the ordinance, passed May 5, 1953, reads: "The corporation counsel and the city attorney shall be citizens of the United States, qualified electors of the city of Madison and be licensed to practice law in the courts of the state of Illinois."

She noted that neither William Kinder nor Leon Scroggins, both of the acting Mayor Raymond Kozielek's recent appointees reside in Madison. Both attorneys maintain a law office in Madison. Directories show that the residence of John Gitchett, who was declared ousted by Kozielek, is in Arlington Heights.

Mrs. Lewis also pointed to section 6 of the ordinance on removal:

"The corporation counsel and the city attorney shall be subject to removal by law and the ordinances of the city of Madison."

"If either of such officers ceases to perform the duties of his office by reason of death, permanent physical or mental disability, conviction of a disqualifying crime or dismissal from or abandonment of office, the mayor may appoint a temporary successor to such office."

The section on appointments reads that the two "shall be appointed by the mayor with the approval of the city council, annually at the first regular meeting in May or each year, or as soon thereafter as may be convenient, and each of said officers shall hold his office for such time as he may be appointed, not extending beyond the end of the fiscal year of the city."

Mrs. Lewis remarked that "if those people involved had taken the time to study the city ordinances, a major conflict might well have been avoided. A city ordinance is simply a law on which our elected officials should rely for guidance in dealing with the affairs of the city and its citizens."

"Believing that a candidate should be informed of the happenings of the business of the city and should convey this to the voting public, I will periodically submit my opinion."

Mrs. Anna Szepesi, 85, Dies; Ill Four Years

Mrs. Anna Szepesi, 85, of 834 Niedringhaus avenue, died about 3 p.m. yesterday at St. Elizabeth Hospital. She had resided in Granite City the past 70 years, having come here from her native Hungary.

In ill health for nearly four years, Mrs. Szepesi was hospitalized only one day. She was a member of St. Joseph Catholic Church and St. Ann Altar Society. Her husband, Stephen Szepesi, died in 1906.

Surviving are three daughters, Mrs. Ann Kostoff, Mrs. Joseph (Ellen) Viter and Mrs. George (Isabelle) Spiroff, all of Granite City; one brother, Joseph Kroszner of Madison; a sister, Mrs. Clara Nemeth of Granite City; six grandchildren, 11 great-grandchildren and three great-great-grandchildren.

Funeral arrangements are given in today's obituary column.

Two Held After Keeping Boys Captive in Car

Two Venice youths were held by police yesterday in lieu of \$30,000 bonds on robbery charges after they allegedly picked up two teenage boys in East St. Louis, kept them captive during an hour-long drive in which they threatened to shoot the youngsters, and then took a coat and 50 cents before releasing them on Logan street in Venice.

Police arrested Madison W. Garrett Jr., 17, of 1016 Douglas street, and Conrad Crook, 17, of 1217 Calhoun street. A third Venice youth who police say joined Garrett and Crook during part of the ride, is being sought.

The two East St. Louis boys, 16 and 17 years old and both

white, told Venice authorities they were hitchhiking along Ninth street just north or Route 50 in East St. Louis about 3:15 p.m. Tuesday when they were picked up by two Negroes who asked them where they were going.

The boys replied they were headed toward Waverly avenue and were told by the pair in the car that they were going in that direction. Instead the car, which police later determined was driven by Garrett, headed onto Route 70.

Drove to Venice

The teenagers, whose names were not disclosed by police, said they remarked that was not the right direction and that Garrett remarked that he lived in Chicago and they were going there. At various times, the boys told police, Crook threatened to shoot them, or beat them. The car later drove through an area which was

identified as Granite City and later into parts of Venice.

On several occasions, the youngsters related, Garrett stopped the car where there were other Negro youths gathered, and in each instance Garrett or Crook asked the other Negroes: "Do you want to buy some slaves?"

The car stopped at one house where another youth came to the car and at Garrett's invitation joined the group. He got in the rear seat with the two teenagers. The boys eventually were let out of the car in the 1000 block of Logan street near the Logan street playground, after taking one of the boys' coat and taking 50 cents from the other.

The boys went to the police station where they told their story and identified all three from among police photos. Garrett and Crook were picked up by police within a short time

Area BPW Clubs' Top Hat Award to Aiassi

Eugene L. Aiassi, Granite City school district art education supervisory consultant, and Mrs. Ruby Jackson of Dorsey, Ill., a former Granite City, were honored at an Area Business & Professional Women's club installation and a civic award dinner last night at Bunker Hill.

Aiassi was presented the Bend, Bethalto, Bunker Hill, Dorsey, Alton, Wood River and Edwardsville area official "top hat" award and Mrs. Jackson was installed as 1970-71 president.

The award to Aiassi, presented by Mrs. Jackson and Mrs. Pio Reed, district chairman of the Illinois BPW, cited contributions to the community, state, and nation, participation in civic projects and charity drives, career progress, contributions toward progress of working women and contributions of time and service to society in general.

A Granite Cityan 23 years, he created and presented annual Christmas gift wrapping and outdoor decoration shows for 20 years and was public relations director for Mexico tours by the Coolidge junior high school Latin American music ensemble.

He has added many annual poster and painting contests, mural projects and decorations for a large number of state and district meetings, shows, programs and banquets.

President of the Illinois Art Education Association for 1970, Aiassi has taken part for a number of years in many organizations and activities aimed at beneficial to business and professional women. He is a board member of the Metropolitan Center of the Arts and a member of the North Central Association of Secondary Education.

Mrs. Jackson, born in Taylorville, moved to Granite City as a child, attended Granite City High School, and is now a vice-president of the Granite City Business & Professional Women, Owner of the Jackson Bookkeeping Service, she was honored by the national BPW federation in 1969 for bringing a large number of members during a five-year span.

'Hospital Week' Events to Begin Sunday

St. Elizabeth Hospital will join over 7000 hospitals throughout the country in observing National Hospital Week beginning Sunday, May 10, an annual observance established by the American Hospital Association to focus attention on the work hospitals are performing in providing high-quality, year-round care in their communities.

The theme for this year's observance is, "Your Hospital Cares" places emphasis on the efforts by hospitals to meet increasing health demands for health care in an era of spiraling costs.

During next week, activities have been planned at the hospital to honor employees, doctors and nurses as well as the administrative staff.

To officially open the week-long events, the mother of the first child born on Sunday will receive a layette and a dozen roses from the hospital.

On Monday, a "Get Acquainted Breakfast" for the Tri-City Ministerial Association will be given in the hospital room at 8 a.m. followed on Tuesday by a service awards dinner at 5:30 p.m. in the Wiseman room.

Awards will be given to employees with service of five, 10 and 15 years and up to 30 years. A pancake dinner will take place from 5 p.m. to 7 p.m. in the hospital cafeteria and is open to the public. Proceeds will go towards the employee picnic.

The annual breakfast for Doctors will be served in the medical library from 7:30 a.m. to 9 a.m. when each doctor will be given an external wall of the new building.

A final activity will be naming the winner of the "Brick Contest" conducted to determine the number of bricks in the external walls of the new building.

Sister Mary Thomas, hospital administrator, said that in 1921, the hospital was the first to recognize the importance of telling the public about the human side of hospitals. For this purpose National Hospital Day was initiated, designating May 12, as it was the anniversary of the birth of Florence Nightingale.

National Hospital Day was extended to a week-long observance in 1953 and since then has been continued.

"Today every hospital is faced with greater demands for high quality health care for more people than ever," Sister Mary Thomas, continued. "Hospitals are meeting the challenge with a variety of new methods which also help in planning for the future."

Persons in over 200 job classifications are employed in a hospital. It takes over 270 persons to serve 100 patients, and requires more than 10,000 items to equip a hospital. These items range from abrasives to x-ray film, from amputees to wringers. All of this, of course, requires money.

"Hospital costs have skyrocketed in the last few years, but it is reassuring to know that the hospital is able to provide the best care possible at a moment's notice," the administrator added.

Defense attorneys requested the appointment of a new judge to replace Circuit Judge Harold Farmer after State Atty. Robert Rice alleged in a letter to the judge a conflict of interest in the representation of the defendants by lawyers who are employed as levee board attorneys.

Defendants in the case are William "Mike" Ebersold of Venice and Lawrence Tolar, George Duff and Morris Campbell all of East St. Louis. Defense attorneys said they plan to file motions attacking the indictment, but delayed doing so until a different judge was appointed.

Levee Trustees Trial At Belleville May 25

The trial of four members of the East Side Levee and Sanitary district board under an eight-count indictment of misconduct in office will be conducted by Associate Judge Everett Prosser of Jackson county, it was reported yesterday.

Judge Prosser's selection by the Illinois Court Administrator's office was announced by Chief Associate Circuit Judge Richard T. Cagier of St. Clair county who said the trial has been scheduled for May 25 in Belleville.

After considerable effort, he located one newborn kitten inside at the roof of the chapel.

At St. Elizabeth Hospital, where it is normal routine for babies to be born, the hospital witnessed a different type.

During Sunday mass, the sisters heard a peculiar whining noise. After mass the Sisters summoned help from Albert McDonald of the maintenance department.

After considerable effort, he located one newborn kitten inside at the roof of the chapel.

But there was still more whining, and it was coming from behind a wall.

McDonald cut a hole in the wall and found another little kitten which apparently had fallen in between the wall.

The two kittens are now being housed in the "kitten nursery" of the maintenance shop until an appropriate family for kittens can be found.

"KITTEEN NURSERY," another service offered by St. Elizabeth Hospital after Albert McDonald, a maintenance department employee, found two kittens between the Chapel walls at the hospital.

GC School Secretaries Form New Association

Reorganization of the Alton Association of Educational Secretaries into two separate groups, one basically serving those working in Granite City schools and the other for Alton area members was accomplished Monday evening at the East junior high school in Alton.

A pot luck dinner, served at 6:30 p.m. was followed with installation of officers, who are to head the older group and the newly-established local branch in 1970-71.

Officials of the Granite City Association of Educational Secretaries taking office Monday were: President—Mrs. Martha Rochester, secretary to School Superintendent B. J. Davis; vice-president—Mrs. Catherine Wittvrongel, secretary to Parkview Principal Mrs. Agnes Fryntko; treasurer—Mrs. Mary Kavalla, secretary in Audio Visual to Gordon Galbreath; recording secretary—Mrs. Ethel Weiss, secretary to Harold Thomas, Special Education office; and corresponding secretary—Mrs. Jane Patton, secretary to M. A. Wittvrongel, vocational and adult education director.

Withdrawal of local members from the Alton Association to form a Granite City branch was announced earlier this year. Local secretaries have been comprised of Granite City members, it was explained.

Officers of both groups expressed a desire to work together, to arrange workshops for all members can attend and to entertain alternately on an annual basis.

It was agreed the local association will meet on the first

Young MHS Track Team Wins on Road

Trojan underclassmen defeated Breeze Mater Dei's track freshmen and sophomores at Breeze Monday, 67-58.

The condition of the Mater Dei cinder track caused many marks to be less than the Trojans' usual performance.

MHS event winners—880 relayers, Gerald Pouncil, Larry Evans, Joe Willie Jenkins and James Youngblood (1:41.8); Bill Rungey 440-dash (58.9); Kevin Jackson mile-run (5:14); Youngblood 220 dash; Robin Pritchard shot put (44.2); Edwardo Chandler 100 dash and high jump; Jenkins high and low hurdles; and Larry Evans long jump (17 7/8).

U. S. Prep Mat Coaches Meet Here

High school wrestling coaches from throughout the U.S. will convene at SIU-SW tomorrow and Saturday for a clinic led by four nationally-known coaches, including Larry Kristoff, Cougar varsity wrestling coach.

About 400 prep mat coaches are expected to attend. Those on the clinic staff include: Bill Smith, an Olympic champion, three-time NACAC winner and World Games coach in 1965, 1966 and 1967, now coach at San Jose State in California.

Myron Roderick, former Oklahoma State mentor, coach of the year, World Games coach in 1963 and three-time NCAA champion, now executive secretary of the National Wrestling Foundation.

Dr. James Wilkinson, former SIU-Carbonale coach for 18 years, 1964 coach of the year and 1963 pre-Olympic mentor. He is now serving on the Olympic Wrestling Committee for the 1972 Olympics to be held in Germany.

Kristoff, a standout wrestler at SIU-Carbonale in his undergraduate days, led his Cougar wrestlers to a 3-61 season in their first year of competition. He was a member of the 1964 and 1968 U.S. Olympic teams, has been on seven U.S. World Games teams, has won a Pan American championship and 12 national championships.

High Hurdles, Jumps and Hopes In District Track, Field Meet

Not just some of the better performing individuals from this area will be at the district track and field meet at Alton Saturday. All the teams and all the best performers from a 39-school area will be there.

Granite City and Madison will attend along with 1970 Madison county champion and defending 1969 state champion Alton.

Field events and preliminary field events will begin at noon. Running events' finals will start at 2 p.m.

The GCHS head track coach, Don Miller, sees solid hopes for qualifying for the state meet in Warriors Jim McDuffy, Don Smith and Mike Allen.

To qualify for the state meet May 22-23, competitors must place first or second. Or they can mark the difficult qualifying marks and place fifth or better at the district meet.

McDuffy will be setting his sights on the half-mile run. He holds the school record in the middle-distance event with a 2:01.5 clocking.

The Illinois High School Association qualifying standard for the half-mile run is 1:58.0.

Only two runners, both from Belleville West have bettered McDuffy's time in this area.

Maroons Ernie Sabo and Larry Handley have been timed at 1:58.6 and 1:58.7, respectively.

Smith Topped 1966 Record Smith has the best prospect of any Warrior for qualifying in a field event. He has high jumping better than the 61 qualifying height.

He holds the GCHS record with his season's best spring season of 6'3". The old school record had stood since Claude Beeler jumped 6'2 1/2, in 1936.

Though Smith's excellence is obvious, in order to advance to the state he must do more than match the IHSA standard. He

must place among the top five at Alton among rugged company.

The prime leapers Smith must contend with are East St. Louis' Tyron Carpenter (6'4 1/2, is his season's best), East St. Louis' Lincoln's Argie Johnson (6'4 1/2), Morris Bradshaw of Edwardsville (6'4), Lincoln's Julian Crockett (6'2) and Alton's Kevin Dooley (6'2).

Hurdles Are No Obstacles Allen has owned the GCHS school record in both high and low hurdles for two years.

If his history as a hurdler was a certainty to hold true for every occasion, Allen would be a shoo-in for state qualification.

Of course, every day is a new day.

Saturday won't be the first "new day" for veteran Allen. But much pressure will be on the soon-to-graduate senior.

If all goes perfectly for Allen, there will be only one rival for him at the district.

Keen Rivalry East St. Louis' Kenneth Reeves has edged out Allen in every major meet this season.

However, Allen beat Reeves in both hurdles events at a dual meet.

The Flyer and the Warrior are tied for the area's best 120-yard high hurdles mark with a zingling 1:45 seconds. A 1:51 is the IHSA standard.

Allen for now has the area's top clocking in the 180-yard low hurdles, 18.8. Reeves has been less sharp in the lows, his best being 20.5.

Alton's Al Withrow and East St. Louis' Myron Bowens are expected to be top challengers in the lows.

Relay Quartets Sharp A big potential for going to state is held by the Warrior half-mile and mile relay squads.

Half-mile relayers are Steve Benko, Barry Schroeder, Mark

Lakatos and Dennis Gille. Re-laying the mile will be Ken Elitt, Ralph Rojas, McDuffy and Allen.

Not to be ruled out of chances for qualifying are Mark Twiss, maver in the high hurdles, Elitt in the quarter-mile and d James Childers in the long jump. Plus a host of other hopefuls.

The district team title battle is expected by many to be between Alton and East St. Louis. But Miller is targeting Granite City for a high place among the 39 schools.

Team points are likely to be chalked up by the middle-distance and distance runners and by the relay squads.

Tyus Has Been There Trojan George Tyus went to State last year as a century dasher. He was the first in many years to compete at state for Madison.

Madison's most formidable appearing competitors for the district are Tyus and Edwardo Chandler in the 100 dash and 220 dash, Don Turner and Larry Mosby in the 800 run, Tex Holmes and Dennis Hampton in the 400 dash and Vann Ford in both hurdles.

Schools to be at Alton are: Alton, Alton Marquette, Belleville, Althoff, Belleville East, Belleville West, Bethalto, Carter Del of Brees, Cahokia, Carrollton, Collinsville, Columbia, Dupu, Assumption, East St. Louis, East St. Louis Lincoln, Edwardsville, Freeburg, Gillespie, Granite City, Greenville, Calhoun of Hardin, Highland, John Paul High, Jacksonville, Jerseyville, Lebanon, Litchfield, Madison, Mascoutah, Mount Vernon, O'Fallon, Southeastern of Peoria, Pleasant Hill, Roxana, Triad, Staunton, Trenton of Wescin, Waterloo and a Wood River.

Bellemore Will Host Slumping Collinsville

Signs are that the Inter-City baseball league pennant race may have a new look this year.

Six-year perennial league champ, Collinsville was edged out 4-3 last week by a newcomer to the circuit, Highland.

Collinsville, now with a 1-2 record, also is slated to defeat Maryville.

Mercer Manager Earl Scharn observes, "They don't appear to be real strong. If it seems like they usually get all the breaks."

Last year, Mercer (12-8) finished the season one game behind Collinsville (13-7) in the standings.

Current standings are: Maryville, 3-0; Mercer and East Alton, 2-1; Collinsville and Highland, 1-2; and Bellemore, 0-3.

On Sunday at 2:30 p.m., Bellemore will try to fend off Collinsville at Wilson Park.

Mercer at Highland Mercer will visit Highland's new-found strength, and Maryville's Red Sox will go to East Alton.

If East Alton beats Maryville and if Mercer can top Highland, the early season race will become a three-way tie for first.

Walks Hurt Trojans in 11- Defeat

Four Trojans took the mound, giving up 14 bases on balls in an 11-1 loss to Dupu here Monday.

For Madison in the second inning, Dave Uherick walked, and Davis singled, and Uherick scored from second while Davis was caught in a rundown off first base.

Other MHS hits came from Courney Prothro, Mark Wells, Charles Pogorelac and Robert Warhol.

Dupu scored one run in the first, six in the third and four in the fourth. The game ended after five innings due to the ten-run lead.

Prothro started and took the pitching loss, giving up five runs on five hits. Davis relieved in the third and Austin Lewis in the fourth, and Bert Thompson finished the game.

Long Road Leads Driver Spalding Back Home for Opener Tomorrow

Tri-City Speedway is set to open the racing season with a guaranteed \$1000 purse Friday evening.

Supermodified autos will be, exclusively, running on the half-mile oval.

Roy Hibbard, 1968 Tri-City Speedway champ, will be here to defend his 1969 championship of the Capital Racing Association (CRA) sanctioned races.

Chuck Amatti will travel from his home of Greenfield, Tenn., to attempt to grab some of the opening night money.

"Tomorrow will be 'homecoming' for Granite City's Wil Spalding. He plans to drive regularly at his hometown track after several years of interstate traveling in search of challenging races.

Starting at 7:30 p.m., drivers will run time trials which will decide their starting positions for all of the night's races.

The bumper-to-bumper racing program is to begin at 8:30 p.m.

Dash for a Trophy First, the five fastest qualifiers—starting in inverted order of their qualifying times—will dash five laps for trophy honors.

Three eight-lap heat events will follow the trophy dash.

The slower heat event finishers will have a chance for secondary prize money in the 15-lap semi-feature.

The evening's best 18 cars, if all 18 are still in driving condition, will summit the evening with a 20-lap (ten miles) feature.

Tri-City Speedway was to have opened last week but rain forced a postponement.

CRA has sanctioned two nights of racing so far this spring, both on Saturdays at Jefferson City, Mo. Bill Utz of Sedalia, Mo., won one feature and Jerry Blundy of Galesburg, Ill., won the feature last week.

Spalding placed second last week.

Spalding lives on Garden lane here and has two children attending Frohardt school. He explains an underlying reason for returning to regular racing here.

"I had more fun driving here than in all the year with USAC (U.S. Auto Club)."

He adds another important consideration—that jaunting around the country is "a terrible expense." He reached his highest total of highway miles in 1968, when the odometer registered 90,000 miles.

Competing Since 19 Spalding was born in a house on Edna street. His first competitive driving experience was at the age of 19.

On that occasion he owned and drove "a 1937 Chevy, a real fender bender."

Before the race had gone half a lap, Spalding recalls, "The fellow right in front of me rammed into the fence. I rammed into him and turned over." And Spalding's first season of racing was ended.

He once held both one-lap track records at the Tri-City Speedway.

It has been many years since he has driven on the smaller quarter-mile oval. The quarter-mile record has gone to someone else but Spalding still holds the top mark on the half-mile

oval, since setting it in 1966.

Not all has been hunky-dory for him at the Tri-City track.

Once while he was driving, the rear tire of an auto in front of Spalding kicked up a small rock and knocked out two of his teeth. He was rushed to the hospital and returned to drive in the night's feature.

Though losing two teeth is not part of a normal night-at-the-track, Spalding's firmest memories of weekly racing at the Tri-City Speedway involved some auto-acrobatics.

"I was forced into one of the piles of dirt that are around the bases of the light posts on the inside of the track. I drove up one and luckily landed on the downside of the next one."

A distance of about 100 feet, as the crow—or auto—flies.

Runs Aplenty As Softball Season Opens

The Northern Classic League-American opened the Granite City park district softball season with games at Worthen Park Monday.

Liberty Home won over Abel's Auto Body 19-5, Victory Tavern defeated Clark's Vikings 9-3 and Mexican Honorary topped Murdock Falstaff 11-7.

Liberty Home had the hottest batters of the evening. Steve Rydick went four-for-four, including three doubles. Frank Modrusic had three-for-four with a triple and Decho Angeloff was four-for-five with a double.

JAKE HARMON Almost Enough

Rally Beats Trojans 3-2

Baseball Trojans led 2-0 with Jake Harmon's pitching until the fifth inning, but lost to Belleville 3-2 here Tuesday.

Harmon hurled his best of the season, striking out six and walking one better in 4 1/2 innings. He allowed two runs on two hits. Bruce Thompson, who relieved, walked one and fanned one, giving up a run on one hit in the sixth.

MHS scored in the opening frame. Courtney Prothro gained base on an error and went to second on the same play. Mark Wells singled him home.

After Austin Lewis single in the fourth, Robert Warchol made it to first on an error. Both runners advanced on a wild pitch. Harmon then hit a sacrifice fly to left, scoring Lewis.

Additional Trojan hits came off the bats of Prothro, Wells, Phillip Davis and Charles Pogorelic (2).

Two errors in the fifth allowed Bethalto to score once and set up the other run of the inning.

Mitchell Parade Saturday to Open Baseball, Softball

A parade to mark the opening of the boys' baseball and girls' softball leagues will be held Saturday afternoon. Mitchell school under sponsorship of the Mitchell Athletic club, headed by Richard Chambers.

Gordon Roth will serve as master-of-ceremonies and members of Boy Scout Troop 41 will serve as a color guard, leading the parade of about 300 boys and girls.

The marchers are to assemble at 12:15 a.m. Saturday at the school to march to the nearby playing fields, where brief games are to be played after games at clinics are conducted.

Chambers said there are eight teams in the girls' softball league and 18 boys' baseball teams.

Belleville Breezes to Southwest Golf Title

Belleville West found "easy pickins" in the Southwestern Conference golf championships at Arlington Monday.

The Warriors finished fourth with 247 total team strokes behind Belleville West's 311, Edwardsville's 338 and Alton's 342. Collinsville tallied 358 and Wood River, 372. East St. Louis does not field a golf team.

All the Southwestern 100 p teams and 12 additional schools will compete Friday in the Belleville East district tournament at the Tamarack links.

The Maroons are favored to win easily. Other district entries are Alton Marquette, Belleville Althoff, Belleville East, Bethalto, Assumption, Highland, Lebanon, Mascoutah, O'Fallon, Triad, Trenton of Westview and Waterloo.

At Least the Weather Was Fine scores for the day's second best round was Alton's John Fischer. Bob Blariks and Mike Trebling of Edwardsville tied for fifth best individual score with 81s.

Coolidge Tennis Win
Coolidge racquets men won unanimously at Roxana Wednesday, 5-0. This elevates the Braves' record to 6-1. On Tuesday, Roxana will be here. Scores: Billy Rusick 6-0, 6-1; Gary Loy 6-1, 6-1; Gary Rushing 6-1, 6-3; Allen Davenport and Gary Osborn 6-3, 6-3; and Ralph Reader and Bill Rill 6-4, 6-4.

Gator Team Begins Busy Baseball Whirl

Jack Parker's diamond Gators began 14 consecutive weekday days of baseball games Monday with a 3-1 win over Coolidge at Grigsby.

Randy Sturdevant hurled a three-hit victory, striking out 14 and walking two. He crossed home plate for two of the runs and Roy Meyer tagged the plate for the other.

Gary Lively had two hits for two RBIs. Dick Lynch and Sturdevant got the other Gator hits.

The solid scheduling is the result of rained out games. The much-added-to schedule reads: today, eighth grade Coolidge here; Friday, eighth grade Coolidge here; Monday, at Edwardsville; May 12, Belleville East here; May 13, Cahokia here; May 14, at Belleville West; May 15, Roxana here; May 16-20, Granite City junior high tourney; May 21, at Roxana.

Cancel Venice Game
Venice's Tuesday baseball game was canceled by Freeburg because of conflicting school activities at Freeburg.

Madiso Net Team Showing Progress

No one likes to lose. But the Trojan tennis team of all underclassmen had its most pleasant loss of the team's two-year history Tuesday. MHS won more than one match in a meet for the first time, bowing to Bethalto 3-2 here.

Bill Fox and Bob Mangoff in first doubles defeated Eagles Dan Lowe and Ken Waters 6-2, 6-4. Third singles Trojan Bill Weidner overturned Bill Waters in two 6-2 sets. Bowing were first singles Greg Bosworth to Greg Heavener, 6-1, 6-1; second singles Larry Lassen to Jim East 6-2, 6-1; and second doubles Bob Hollenbeck and Sean Soles to Matt Maise and Charles Ingram 6-0, 6-1. Benway shuffled his lineup, pairing the Trojans to the best advantage against the stronger Bulldogs, but lost 5-0 at Highland Wednesday.

First singles Weidner lost two love sets to Steve Diefenbach, second singles Soles lost two 6-2 sets, and Hollenbeck lost two 6-2 sets.

Lassen and Bosworth bowed to Al Ambuehl and Rich Hober 6-0, 6-0. Fox and Mangoff lost 6-4, 6-2.

Warrior Golf Team Beats Collinsville

Warrior golfers won over Collinsville 167-172 at Arlington Tuesday.

Bob Peacher paced the win with a 40-stroke round. Dave Rouland carded a 41, Tim Schwendeman 42 and Gary Zimmer, 44.

GC Man-Wife Team Win Diving Trophies

A local man and wife team from Bubblemaster Scuba Divers were the only local divers winning trophies at the Mid-West Diving Council's spring convention at Table Rock Lake, Mo., it was reported Tuesday.

About 120 divers participated in the two-day convention and contests, representing clubs in Missouri, Illinois, Texas, Oklahoma and Arkansas. Fifteen divers attended from the Bubblemaster's club.

Mrs. Mary Ann Clark of the Bubblemaster's won a first place trophy in the ladies underwater compass event, which tests the diver for accuracy along a point-to-point course. She also earned a third place trophy in scuba and spearfishing for spearing the largest number of fish.

Her husband, Joe Clark, won a second place trophy in the skin and spearfishing event by spearing the largest fish—eight pounds, 14 ounces.

Booming Bats, Sound Arms Boost Warriors

Warrior hurlers, it seems, are only throwing little pieces of the baseball across the plate while Warriors at the plate are hitting like they are playing with slow-pitch basketballs.

Five are carrying batting averages in the mid-.300s. Dale Evans is still leading the stick work. Don Harris is second best, with Jim Greenwald, Gary Willis and Rich Schardan crowding close for batting honors.

Early in the season, Gary Stinch was hitting .300. His percentage sagged to .240, but with a rapidly improving average, he may make a sixth 300 hitter on the team by the regular season's end.

Granite City has won nine ball games in a row including a 7-2 Southwest Conference win over Collinsville Monday and a 10-4 Tuesday loop win over Alton.

The nine straight victories add up to an 18-6 overall log. Warriors will open the Edwardsville district tournament Monday against host Edwards-

ville. Two tests of their momentum are slated before the district.

Today, Ron Simpson will try to keep up the winning lead of steam, facing Assumption here. Tomorrow, Ed Hagauer will probably get the nod to pitch from Coach Gale Garbe. Hagauer will work the mound in Wilson Park against St. Louis.

Pitcher Hospitalized
The regular four-man starting pitcher rotation has been broken. The variety's only left-hander, Ted Napp, has been hospitalized with pneumonia. Jeff Boyles has been the other regular starter.

Belleville West has clinched a share of the league pennant out of Granite City's reach, ending with a 9-3 loop record. GCHS is 7-4 in the circuit, Alton 6-4 and Edwardsville 8-3.

A Warrior league game with the Tigers was rained out and will be rescheduled after the Illinois High School Association tournaments. Edwardsville was an early season encounter with Granite City, 1-0, scoring an unearned run.

Hagauer upped his record to a perfect 5-0 by beating the Kahoks Monday. He struck out six, walked two and allowed eight hits. The only two runs off the undefeated Warrior were scored in the first inning.

In the bottom of the first frame, GCHS regained the lead for good. Harris walked and Schardan forced him. Greenwald singled and Stinch gained base on an error, allowing a run to go home. Willis and Jerry

HEAVY HITTING ROOKIE. Don Harris earns the label of "rookie" last year as the only underclassman on the Warriors' starting lineup. Now a junior, he carries the team's second best batting average. In a 7-2 victory against Collinsville Monday, he connected for a solo home run.

ry Monahan each knocked RBI singles.

In the fourth, Harris led off with a home run. Greenwald and Stinch singled and Greenwald scored on a passed ball. Willis singled and Monahan knocked in the inning's third run with a single.

The game's final run came in the fifth. Harris, Schardan and Evans all singled, the RBI going to Evans.

Monahan Shows Speed
Harris batter three for three, including a double and the homer. Fast center fielder Monahan stole three bases during the game, and is leading the team for the second year in stolen bases.

Alton scored three times in the second and once in the fourth, getting seven hits off Boyles. Boyles now has a 7-1 record.

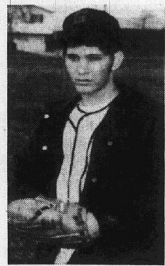

Warrior scoring began in the first. Schardan went first on an error, Greenwald singled and Willis connected for an RBI single.

In the third, Stinch doubled, Willis walked and Monahan hit to lead the bases. Bill Parks was hit by a pitch and Boyles walked, each forcing in a run. Harris swung at the first pitch served to him for a two-RBI double.

Evans started the base-rounder in the fourth with a walk. Greenwald singled and Stinch walked. Willis powered a double to the centerfield wall, sending two runners home, and Parks followed with another two-run double.

Parks, Willis, Stinch, Greenwald, Monahan and Harris each garnered two hits in the game.

Theft from Motel
The Cloverleaf motel, Route 3 and Chain of Rocks road, reported to the Madison county sheriff's office at 12:15 a.m. today that a man who listed a St. Louis address left without paying a \$10.50 bill and took three pillows, three pillow cases, four bedsheets and a bedspread.

District Tennis Here Saturday

Regular singles performers Mike Gaines and Mike Loftus will enter the district tournament here Saturday as Granite City's No. 1 doubles squad. Warrior net coach Dick Harmon decided last night.

Gaines and Loftus paired at last year's district and advanced to the state tourney. In 1969, the district was comprised of nearly all the schools that are divided into three separate districts this time.

In that larger district tourney, the specially-formed Granite City duo finished second. This attainment, together with John VanBuskirk winning the district singles championship earned Granite City its third consecutive district team title.

Six Schools Entered
Other schools to compete here Saturday are Collinsville, Edwardsville, Madison and Roxana.

Joe Papes and Dave Pieper will probably carry Granite City's second doubles banner. Warrior singles entries will most likely be Bill Reader as first singles and Duayne Parrish as second singles.

Belleville West will host a district including Belleville East, Columbia, East St. Louis, Lincoln, Assumption and O'Fallon.

The area's other district will be at Lebanon, including Centralia, Greenville, Highland, Lebanon, Mascoutah, Westcliff, Trenton and Vandallia.

Champions and runner-up in both singles and doubles at each district will advance to state.

The last competition for GCHS before the district will be today, a visit to Roxana.

5-0 Win at Collinsville
At Collinsville Monday, GCHS blanked the Kahoks 5-0.

Reader was experimentally moved up to first singles for second singles for the first time this season. He beat Tim Doherty in two 6-1 sets.

Second singles Gaines beat Jerry Norwine 6-1, 6-0; third singles Loftus beat Mike Doherty 6-0, 2-1; first doubles Papes and Pieper beat Doug Pepper and Joe Holling 6-0, 6-0; and second doubles Kevin McIlroy and Robert Farnley won 6-3, 6-3.

MHS Entries
The entry lineup for the Trojan varsity, composed of freshmen and sophomores, is not certain. Coach Roger Benway will be pinning his best hopes on the doubles squads of Curtis Bosworth—Bill Fox and Bob Hollenbeck—Sean Soles. Jim Schrader or Larry Lassen may join one of the doubles.

Trojan singles entries will be Will Weidner and Bob Mangoff. The opening two rounds of the tourney will begin at 4 p.m. Friday. Singles matches will be at the Wilson Park courts; doubles will be played at the courts adjacent to GCHS.

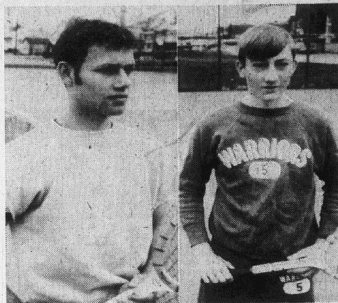

Semifinals and finals will all be played at Wilson Park Saturday beginning at 9 a.m. Finals will immediately follow at 10:30 a.m.

Seedings Decided
Gaines and Loftus were seeded No. 1 at a planning meeting last night and drew a first-round bye. If results follow seedings, they will meet Alton's Rick Johnson and Tim Barnett in the semifinals. Johnson played second singles for the Red Birds most of the season; Barnett was third singles.

Papes and Pieper also drew an opening bye along with being seeded No. 4. Edwardsville's Neubauer with the No. 2 doubles seed are bracketed for semis with the Warriors.

Reader seeded the No. 1 singles seed. Alton's Jim Johnston is No. 2, Roxana's Steve Timson No. 3 and Alton's Bob Simpson No. 4.

Parrish's first round foe will be Collinsville's Gerry Norwine.

DISTRICT DUET. Mike Loftus (left) and Mike Gaines will enter as a doubles squad at the Granite City district tennis tournament Saturday.

Dale Williams Leads Braves to Victory In Big Relay Meet

Coolidge eighth grade track and fielders under Coach Larry Diak won 13-school relays at Mascoutah Tuesday.

Coolidge registered 63 team points, edging out host Mascoutah's 59½. Coach Roger Smith's Granite City Central team was third with 33. Prather was seventh and Grigsby eighth.

The team title as Mascoutah was the first for Coolidge, which has attended the relays for nearly a decade.

Dale Williams led the Braves with 15 points, most possible for an individual. He won the 100 dash (11.2), long jump (18-5) and anchored the winning sprint medley and 800 relay squads.

Larry Haddix, Walter Milton and Ted Guggis joined Williams for the sprint medley and 800 relay.

Kevin Hoedebeck set a meet record, winning the pole vault with a 9-9 mark.

Other high-placing Braves — 100 dash, Larry Haddix 2nd 11.3; 800, Dane Grube 4th 4:21; hurdles shuttle, Jerry Sedebres, Bob Hill, Jim Green, Jim McKinney 2nd 1:07.9; 400 relay, Sedebres, Hill, Steve Reingel, Kevin Brinkmeyer 2nd 5:11; mile relay, Ken Kibert, Dale Bogovich, Dale Livingston, Grub 4th 4:10.

Central's gille relay team set a school record of 4:07.7 while finishing second. Drew Taylor, Mike Cochran, Nick Harper and Mike Martinez ran.

Martinez also won the high jump (5-3) and took second in the long jump (16-4). Others: Ken Kilian 2nd discus (125-8), Nick Harper 3rd long jump (17-10) and 800 relay 3rd.

Grigsby's best points men were Phil Shands, 3rd 800, and Keith Asher, tie for third in high jump. Prather's Rich Barnett tied for third in the high jump (5-0) and the sprint medley equaled tie for fourth.

21 Viking Hits In 19-8 Victory

Clark's Vikings employed 21 hits to beat Abel's Auto Body 19-8. Murdoch Falstaff edged Victory Tavern 10-9 and Liberty Home beat Mexican Honoraries 8-3 at Worthen Park Wednesday in the Northern Classic football league's National division.

Larry Lilley walloped a two-run homer as Clark's second batter of the game. Lilley, Jim Rippy and Bill Cze each collected three hits. Don Kalmeyer of Abel's went 4-for-4.

Murdoch's Mike Sikora and Ken Woodward batted 4-for-4 and teammate John Michaels singled three times.

Errors Beat MHS 4-2 at Highland

Trojan Courtney Prothro gave up only two hits but six team errors spelled a 4-2 defeat at Highland Wednesday.

Madison's last regular season game is Friday at Triad. Jake Harmon will start and Phil Davis will be ready for relief.

On Tuesday, MHS met Collinsville in the opening round of the Edwardsville district.

Prothro was touched for a run in the second. Highland got another three runs in the fourth, when MHS erred four times on four consecutive batters. He struck out five and walked three.

Mark Wells and Davis singled in the seventh, both advanced on a passed ball and Dan Ueberick singled them home. James Gardner and Charles Pogorelec also hit for MHS.

Baseball Gators 1st in Conference

Baseball Gators are first in the Madison County Junior High Conference with a 2-1 log after beating Prather 4-2 Wednesday.

Winner Randy Sturdevant allowed five hits, fanned 13, and walked one and hit a single and double for two RBIs.

Don Ireland got two hits and Gary Lively singled, each driving in a run.

On Tuesday, Grigsby's eighth graders were nipped by Coolidge 6-5 in two extra innings.

Golf Warriors Stop Lancer Win Streak

Golfing Warriors snapped Belleville East's 16-meet winning string, beating the Lancers by one stroke, 167-168 at Arlington Wednesday.

Tim Schwendeman shot the GCHS low with a 40. The meet was tied until the last 18 holes when, Gary Zimmer, brought in his 42 card enabling the Warriors to win.

Bob Peacher fired a 42, Dave Roulund 43, Bob Zellerman, 43, Earl Anderson 46, Jack Eagles 50 and Mike Willis 53.

Coolidge Second, Grigsby Fourth in 16-School Meet

Coolidge missed winning the Roxana ninth-grade 16-school invitational track meet Tuesday by two points. Grigsby was edged out of third by three-tenths of a point.

Alton Central totaled 33½, Coolidge 36½, Alton West 32½, Grigsby 32½, Litchfield 15, Alton East 11, Collinsville North and Alton North nine each, Cahokia and Mascoutah eight each, Edwardsville and Webster of Collinsville seven each, Bend five and Prather, Roxana and Bethalto none.

Brad Hills was a double winner for the Braves. He holds the school records for the events he won and set a meet record with a 18-7 discus throw; his school disc record is 189. A 52-11 shot put was good for first at school meet.

Grigsby's Willie Arnold won the 220 dash in 24.7 and anchored winning 800 relay. Doug Roy, Greg Becker and Rusty Melford also ran the relay.

Other Coolidge placers — pole vault, Bob Kratz 1st 10 feet; mile run, Howard Bryant 4th 4:59.9; 800, Mark Loftus 3rd 2:11.7; long jump, Jon Stagner 3rd 18-4; shot put, Gary Asadoy 3rd 40-9; discus, Tim Zenik 5th 130-11.

SOCIETY

Macedonian Ladies Aid Observes 45th Anniversary

The 45th anniversary of the Macedonian Ladies Aid Society was celebrated at a 12:30 luncheon Tuesday at the Rose Bowl. Rev. Peter Stanibulski gave the invocation and congratulated the members on their organization.

Mrs. Nevenka Kacaleff, chairman, gave the address of welcome and turned the meeting over to Mrs. Mary Andria, president, who was also president in 1925 when the society was organized. She has held office for 18 years, although not consecutively.

Mrs. Andria spoke briefly and reviewed the activities of the organization during the years and its contributions to charitable organizations, including earthquake victims in Europe.

Last year a large sum was donated to the Holy Trinity Eastern Orthodox Hall in Madison. The treasurer, Mrs. Elizabeth Malincheff, submitted a report, and Mrs. Milka Klaycheff, secretary for the past 24 years, gave her report and read the names of those in office when the society originated in 1925.

They were, beside Mrs. Andria, Mrs. Aspasia Eftimoff, vice-president; Mrs. Parashkeva Tarpoft, secretary; and Mrs. Julia Zeffoff, treasurer. Mrs. Klaycheff continued her report by announcing there were now 85 active members in the society, including the addition of two to Tuesday's meeting.

In the past 45 years there have been nine presidents. Two are deceased and one has retired. Those introduced and presented with corsages were Mrs. Andria, 18 years service; Mrs. Tarpoft, 14 years; Mrs. Klaycheff, 24 years; Mrs. Eftimoff, 18 years; Mrs. Zeffoff, 18 years; Mrs. Parashkeva Tarpoft, 14 years; Mrs. Malincheff, 14 years; Mrs. Strella Lendoff, 14 years; and Mrs. Polaxina Gramaticoff, on behalf of the Bulgarian Ladies organization founded in 1925, extended congratulations and a floral centerpiece was also presented to the group.

Mrs. Tarpoft, president of the Sisterhood of the Holy Trinity Bulgarian Eastern Orthodox Church, also offered congratulations. Mrs. Traneva Kirchoff, co-chairman for the day, and president of the Ladies Section of M.P.O. Bazaar, presented a reading, together with congratulations and a donation from the Ladies Aid.

About 80 members and guests were present for the celebration and each member introduced her guest.

Best wishes for a speedy recovery were extended to Mrs. Aspasia Eftimoff, vice-president, who is ill and was unable to attend the meeting, and in her behalf a gift was presented to the Ladies Aid by Mrs. Quennie Elieff in honor of her mother's birthday.

A birthday cake was presented to Mrs. Jim Eftimoff, who was celebrating an anniversary, by her sister, Vasil Eftimoff, Mrs. Helen Christich and Mrs. Dorothy Beck. Mrs. Beck also presented a corsage from her children to Mrs. Eftimoff.

An activity committee was formed and the chairmen are Carol Carver, Dave Shamis, Greg Wagner and Nancy Hamilton.

A sign-up sheet was circulated for those planning to go to the campus and to a Cardinal baseball game May 15. On May 16 the Fellowship is sponsoring a car wash at Bob James Gulf station, 2814 Nameoki road.

The group was entertained with a film the history of St. John Church.

Also announced were plans for a luncheon on Wednesday, May 20, at the Officers Club with the group to leave at noon by bus for a tour of Shaw's Garden in St. Louis.

Women Bowlers Hold Banquet

The Tuesday Afternoon Out bowling league of Bowland ladies held the annual banquet Tuesday at Rusty's restaurant, Edwardsville, using a "hippy" theme.

Trophies were awarded to the first place team, "The Jokers," Polly Buente, Viola Buente, Jo Ann Alford and Virginia Turner. The second place team received "crying towels."

Lorraine Kuberski and Pat Beatty tied for the individual series with 509. Charlotte Root took the high individual game with a 229, and the league's high average of 154 was attained by Polly Buente. The most improved bowler award went to Sandy Kozvay.

Judging was held for the best "hippy" and ended in a three way tie between Dottie Edwards, Jo Ann Franko and Roberta Werner.

HAROLD THOMAS, special education director of Region I, accepting the Distinguished Service Award from Mrs. Rebecca Henkey, president of Chapter Eight of the Illinois Council for Exceptional Children, for his long years of service in this program.

Harold Thomas Receives Service Award from ICEC

Harold V. Thomas of Granite City, special education director of Region I, was honored Tuesday with presentation of a Distinguished Service Award for his services and development of programs for exceptional children.

The presentation took place at the spring conference banquet of the Lewis and Clark Chapter of the Illinois Council for Exceptional Children, held at Lockhaven Country Club, Alton.

Thomas, who began his career in 1933 in the Granite City school system after receiving his AB degree at Washington University and MA degree from the University of Illinois, started the initial program as acting director with one speech therapist and one social worker in the 1940's. The office now has grown to become Region I of Madison county.

A plaque was presented to Thomas by Mrs. Rebecca Henkey, a former Granite Cityan and now on the staff at SIU-SW, who is president of Chapter Eight, ICEC.

It was pointed out the work and efforts of Thomas were instrumental in the increasing number of teachers who are trained to assist children in special areas as well as the greater number of school nurses, psychologists and social workers to serve the three local school districts.

Granite City now has three

teachers for the learning disabilities program, two teachers of trainable mentally handicapped; nine teachers for the educable mentally handicapped; one teacher for the multiple handicapped; eight speech therapists; two social workers; 12 nurses; two psychologists; two intern psychologists and seven teachers of the socially maladjusted. Several of the staffers serve the entire Quad-Cities.

Madison is served by two speech therapists, one social worker, the EMH workers and one nurse, while the Venice school district has one speech therapist, one EMH teacher, one nurse and one teacher of socially maladjusted.

Thomas also has been credited with organizing classes for unimpaired children at Booth Memorial Hospital in St. Louis.

Personal friends of Thomas who attended the banquet in his honor included: Al Pogreiss of Wentzville, Mo.; Miss Helen Christie, F. A. R. Gould, Mr. and Mrs. Joseph Rain, Mr. and Mrs. William Wegner, Mrs. William Thomas, Miss Betty Thomas and David Thomas, all of Champaign, and Mrs. Katie Reuss and Mr. and Mrs. Harold Reuss of Granite City.

More than 100 persons were in attendance, and the guest speaker was Bud Thurman of the Title Six Special Education Diagnostic Center at SIU-SW.

MORE ABOUT Council

That opinion also was challenged.

Agreement in Choices

As it stands, both the council and the mayor appear to want Fromberger and Veizer to remain as chiefs, but both want to make the decisions—and neither will give in.

During Monday night's session, Alderman Dahls, who last week voted for Fromberger's reappointment, called for reconsideration of the action.

Mayor Partney immediately ruled him out of order, saying such a motion was required at the same meeting as the initial action was taken. A motion to reconsider had been voted upon last week but was ruled out of order.

This became another issue Monday night, when the council's minutes showed the roll call vote on reconsideration at the April 27 meeting, but failed to show it had been declared out of order.

That meeting already had been approved.

Appeal on Ruling
At Monday's urging, Dallas made an appeal to override the out-of-order ruling on his reconsideration motion.

Partney remarked that last week's rejection of Basarich's reconsideration motion should appear in the minutes. It couldn't be found by City Clerk Pennington.

A motion to appeal is always in order," Nomm ruled.

Partney answered, "You're out of order." Nomm advised City Atty. Scroggins that the reconsideration motion of last week would stand if it was declared out of order, and that a motion for reconsideration now could be made.

Halt for Consultation
The council session halted while Scroggins consulted Robert's Rules of Order.

During the interlude, Partney left for work.

Scroggins said the mayor's decision could be appealed, and Robertson called for a vote.

Nomm called for adjournment, but Robertson urged him to wait, and there was no second to that motion.

The vote to override the mayor's out-of-order ruling was 12-3. Voting for the motion were Nomm, Whitmer, Basarich, Boyd, Dallas, Moerlein, Robertson, Poulos, Green, Dawes, Morlen and Schuler. Opposed were Rutledge, Jarrett and Boker.

Dallas then restated his motion for reconsideration of last week's action remaining the fire chief.

The vote was 11-4-0, with Whitmer joining the dissenters.

Motion to Rescind
Dallas then called for the council to rescind the previous action of appointment of the fire chief.

"You're out of order," Partney ruled again.

Dallas made another appeal to override the mayor's ruling. The vote was 12-3-3 with Rutledge, Jarrett and Boker voting "no."

Dallas presented a motion "to rescind the appointment of the fire chief by the mayor."

It carried 12-3-3 with Rutledge, Jarrett and Boker again voting "no."

Alderman Dawes then presented a motion for the appointment of Fromberger as fire chief from May 1 to next April 30.

Mayor Partney ruled, "The motion is out of order. The council can't appoint the officers of a city."

Nomm remarked, "This is real petty," and then stalked out. Basarich told Partney the council has an ordinance on the books for the council to appoint

Paul Elleff, 84, Dies; Retired Brickmason

Paul Elleff, 84, of 701 Iowa street, Madison, a retired brickmason, died at 9:30 a.m. today at St. Luke's Hospital, St. Louis. He had been ill two years and was admitted to the hospital April 20.

Born in Greece, Mr. Elleff resided here for 63 years. Prior to retirement, he was employed as a brickmason at the American Car and Foundry Co. plant in St. Louis. He was a member of Holy Trinity Bulgarian Eastern Orthodox Church and Podkopa Lodge.

He is survived by his wife, Mrs. Dana (Spaskos) Elleff; two sons, Ernest P. and Boris P. Elleff; both of Granite City; and two grandchildren.

Funeral arrangements are given in today's obituary column.

the chiefs. "It's getting late, I motion to adjourn," Basarich's motion was seconded.

Robertson objected, asking for the meeting to continue.

The mayor commented, "A motion to adjourn always is in order. And it can't be debated."

The aldermen departed.

It was early in the meeting that City Atty. Scroggins' opinion on 30-day appointments by the mayor was read to the council. It was challenged by Nomm, who said it was not covered by statute.

30-Day Opinion
In the opinion on last week's 30-day appointment of Police Chief Veizer, Scroggins stated—

"In this particular situation, the office of the police chief is specifically in question, along with other offices of the city. This position is created by the city by state statutes and by ordinances of the city. The appointments of the mayor were expressly denied consent of the city council. To hold that this office is to be abolished would create chaos and result in mass confusion."

"There is no specific statutory authority granting the right to the mayor to make 30-day appointments. However, as I have previously noted the office must necessarily be filled in order for governmental functions and services to continue within the city."

"Therefore, it is my opinion that the mayor has the authority, the legal prerogative and the duty to fill vacant positions on a temporary basis until a permanent solution is arrived at by the participants."

"There is legal precedent for the appointment of persons to temporarily fill offices which are required to exist."

Sioux Indian Benefit Show Set Here May 21

Western music, a women's fashion show and a display of Sioux Indian culture are among attractions to be presented at a benefit program to assist needy Sioux Indians at 8 p.m. May 21 at the Washington theater.

The show is part of a fund-raising program to assist the Indians living on reservations in North and South Dakota, according to Cletus Wilson, president of the American Indian Development Organization which helps distribute goods among the Sioux.

Headlining the entertainment will be recording star Bill Rainey and his Raindrops and other country and western singers. They will present selections made popular by such stars as Bill Reeves and Ernest Tubb.

The second part of the show will highlight swim suit fashions and other summer apparel for women. The garments will be modeled by young women selected by Stefanie's shop.

Several Sioux Indians will be on hand to spotlight their heritage and customs. They will demonstrate use of native articles and describe tribal activities.

Tickets are on sale at 411 East O'Fallon street, Caseyville, and at Stefanie's shop here. They are \$2 for balcony, \$3 for general admission and \$5 for box seats.

Banquet Honors 11 Apprentice Carpenters

The annual apprentice banquet of the Carpenters district Council of Madison County and vicinity was held Tuesday evening at the union hall on Chain of Rocks road with 11 apprentices receiving their diplomas. The guest speaker was State Rep. Sam M. Vadala (D-Edwardsville).

E. L. Rule, chairman, conducted the ceremony before the 130 members and guests.

The new journeymen carpenters were—Vernon Albert of Bethalto, Walter Devore of Mulberry Grove, Thomas Korte of Highland, Tom Marco and Robert Ubaldi of Collinsville, Peter Matena of Stanton, Carl Reiter and Wayne Weber of Edwardsville, Terry Sargison of Alton, Bruce Unterbrink of Greenville and Terry Wilson of East Alton.

In his address, Vadala said, "the traditions which we honor in our Constitution provide us with all needed avenues for redressing grievances without resort to the criminal tactics so prevalent on our college campuses today," he told the assemblage.

"All too often these days," Vadala said, "the confusion on our college campuses is mistaken for the tenor of the overwhelming majority of good Americans, the men and women who still thrill to the raising of the flag of our country, the men and women of our unions who in most cases accept all constitutional provisions for our country."

"We all feel that in this country today, most of us are true Americans and we believe in following the ways which have been established for us in solving some of our problems."

Rep. Vadala told the union men that within the next decade this country must practically double such resources as electrical power, hospitals, schools, churches, housing and other essentials. "In the construction of all of these, you will share with your 800,000 fellow carpenters in America the responsibility for doing the good type of job of which you are capable."

"We look forward to your efforts in behalf of a greater America, he concluded."

SIU-SW Open, Polite, Different—Rendleman

"The university should be free and open and not a place for polarization," Chancellor John S. Rendleman of SIU-SW said Tuesday.

The chancellor manned a microphone in the Goshen Lounge of the University Center for more than an hour during the lunch period Tuesday. He responded to questions from students, including student strikers who were observing the National Association of Students day-long strike.

"Let us build here a university that is different. Let us not shrink at each other. Let us be polite," he told the hundreds of students and staff packed into the center.

He called for the university to be a place where all viewpoints are aired. When asked by a faculty member why he did not respond positively to the strikers' request to close the school, Rendleman said, "I don't think the university as an institution has an ideological viewpoint."

Earlier in the day, when students wanted the U. S. and Illinois flag flown at half-mast, the university administration after some discussion completely removed the flags. Rendleman told the noontime audience, "I don't think the flag being up or down is worth someone's head being busted."

Rendleman told the group that he personally is against the war in Vietnam.

Thurs., May 7, 1970 Page 11

Rev. Dr. Ira Thetford To be Pastor at Alton

Rev. Dr. Ira L. Thetford, superintendent of the United Methodist Harrisburg District since 1964, and a former pastor of Niedringhaus United Methodist Church here, will serve as pastor of the Main Street United Methodist Church in Alton, beginning in mid-June, according to appointment just announced by Bishop Lance Webb, Springfield.

Dr. Thetford has served as superintendent the maximum number of consecutive years permissible under denominational policy. He is a native of Herrin, Ill., where his mother, Mrs. Effie Thetford, resides.

The Thetfords have two daughters, Mrs. Delbert (Karen) Ambuehl, who resides in Granite City, and Marsha, a student at Eastern Illinois University.

He also told the group that closing down the university is not effective in halting the war nor would it be proper use of the university.

After more than an hour of responding to the students, Rendleman left the open forum, and students and faculty continued the discussion.

SOCIETY

The Ruth Ford Bible study group of Second Baptist Church met Tuesday evening in the home of Mrs. Naomi Burnett, 2434 Illinois avenue.

Mrs. Evelyn Smith issued the call to prayer, led by Mrs. Elsie Sturdivant. Also on the program were Mrs. Naomi Roney, Mrs. Nellie Lundberg, Mrs. Alene Phillips, Mrs. Alene Ragan and Mrs. Delores Ayres. Mrs. Elsie Sturdivant, circle chairman, conducted a brief business session, and the closing prayer by Mrs. Margaret Dutton.

Others attending were Mesdames Florence Paul, Louise Wallace, Dorothy Barnes, Louise Mitchell and Golda Smith, members of the circle, and Mrs. Glyads Hudgens, Mrs. Dutton and Mrs. Rosemary Wilson, guests. Refreshments were served.

MCKINLEY PTA TONIGHT
The McKinley PTA will meet tonight to install officers for the 1970-71 year and to hear a musical program by pupils under the direction of Sterling Schoen, band instructor.

Garden Study Guest Brunch

The Garden Study club hosted other area garden clubs at the annual "guest day brunch" Wednesday morning at the Wilson Park recreation center.

Serving on the program committee were Mesdames Robert Blankenship, Delbert McKisick, Eugene Short, Bonard Maples and Wilmer Winters. The tables were decorated with large arrangements of "snowballs" in brown vases. Favors were plastic tile flower containers with miniature bouquets of spring flowers.

Mrs. Bonard Maples offered prayer. Mrs. Clifford Mang, president, introduced presidents of the guest clubs, who in turn introduced their members and guests. Other groups represented were the Cloverview, Thorngate, Gardenaires and Terrace garden clubs.

Dr. Oscar Soule of the Research Association of the Missouri Botanical Gardens, St. Louis, spoke on the desert and its plants, showing slides of various species. A movie, "The Sonora Desert in Bloom," was shown, followed by a question period.

Mrs. Mang, on behalf of the Garden Study club, presented a

check to him for the Botanical Gardens capital fund drive.

Mrs. Edward Theis, ways and means chairman, was in charge of a plant and flower sale table. Blue ribbons the club recently won were displayed, as were scrapbooks and program books.

Guests were Mesdames Viola Monahan, Minnie Ziglio, Betty King, Billie Meier, Nettie Miner, Shirley Glenn, Ruth Maletti, Joyce McCauley, Barbara Bradley, Marge O'Neil, Jean Orr, Richard Young, Dorothy Geroff, Beulah Miller, Eleanor Kozol, John Jenkins, Kenneth Brokaw, Robert Ruppel, Charles Kohl, W. H. Stafford of East St. Louis, Ellen Ozanich, Caroline Moser and Claudia Lentz and Park Supt. Harold Brown.

Other members present were Mesdames Abner Branding, C. E. Eads, Andrew Gitchoff, Rola Grewell, John Lehman, Arthur Roman, George Stearns, Scott Roberts and Dan Seymour.

Mrs. Blankenship, 2000 Pontoon road, will be hostess June 3, when members will participate in a flower show, bringing arrangements or horticultural items to be judged. Mrs. Bonard Maples will be in charge of the comprehensive study.

First-Aid Club Being Planned in This Area

Formation of a Quad-City area first-aid club is planned by Mrs. Maxine Duniphan, 633 Chouteau avenue, 981-2714. Those over age 15 who wish to join or to obtain information are to contact her; an alternate place to call if she is unavailable is the Red Cross office, 462-7184.

Detailed plans are to be made after the extent of interest is determined, but it is proposed to meet regularly and also to respond in the event of a disaster. Mrs. Duniphan has extensive experience as a civil defense and Red-Cross first-aid instructor and the group will work in full cooperation with these programs.

Students Invade Draft Office in New War Protest

A crowd of more than 150 war protesters—most of them SIU-SW students—roamed uninvited through a rough Edwardsville Tuesday afternoon, demonstrating for 15 minutes at the Selective Service office and lowered the post office flag to half mast, apparently as a token of the deaths of four students in campus demonstrations at Kent University in Ohio.

The crowd first gathered on the steps of the courthouse about 3 p.m., chanting slogans calling for an end of the war and freeing Black Panther officials Huey Newton and Bobby Seale.

Leaflets calling for a student boycott were circulated. Led by a sociology professor at SIU-SW campus, the crowd started to the Selective Service office, but at the post office building began hailing down the flag. The crowd protested to leave it at "half mast" but a few minutes later the flag had been raised to the top of the pole again by unidentified persons. It was not brought down again.

At the draft board office a framed photograph of President Nixon was smashed in the only display of violence, but the crowd harassed office employees until someone shouted that police were on the way. "The pigs are on the way," others joined in. Students claimed there were no classes at SIU-SW campus Tuesday. Chancellor John Rendall said police were not on campus and that there were no sanctions against students or faculty members who did not attend classes Tuesday.

10-Day Suspension Seen for Lewis Tavern

The Illinois Liquor Control Commission has overruled the revocation of the liquor license of the Johnnie Lewis tavern in Madison and will order a 10-day suspension, according to attorneys here.

The office of the commission's executive director in Springfield refused to verify the order today. A spokesman said the order is in the process of being drawn by the commission's technical director and will be mailed to persons involved when it is prepared.

The license was revoked Tuesday by acting Mayor Raymond Kozielek on a charge of serving liquor to minors, following a previous four-day suspension on a basis of misconduct at the establishment. Lewis appealed the revocation to the state.

SHOWER HONORS
MRS. EDWARDS
Mrs. Joyce Edwards was honored last night at a cradle shower given at the home of her mother, Mrs. Earl Johnson, 2501 Lynch avenue, by Mrs. Sandra Devany. Decorations of pink and blue and the "Three Little Bears" theme was used in the arrangements. About 25 guests were present.

MORE ABOUT Dobrey

\$24,162 for the first half of April; claims totaling \$24,260 for March and claims of \$17,855 for April, an overall total of \$91,512.

Board Member Lawrence Tolar told the board that the New Memphis Sand & Gravel Co., employed last fall to make repairs in sewer breaks at Cahokia and Centerville, is pressing for payment of the final half of the contract which totaled \$188,440. Tolar said the contract was let under agreement with the U. S. Army Corps of Engineers under the flood disaster program in which the levee district is to be paid for damages incurred by the flood last summer.

Early this year the levee district received \$111,000 in flood disaster funds, and from this amount paid the first half of the contract to the New Memphis firm.

Tolar noted that the levee district still is to receive funds to cover the balance of the contract cost, but that the New Memphis firm wants payment soon. Under the arrangement the levee district was to pass the bill for the repairs and receive reimbursement from the government.

Expenses in August

The board authorized Tolar to investigate possible means of paying the bill, possibly arrangement with a bank which would be repaid from the flood disaster funds when they are received. Ebersold pointed out that all work and bills under the flood disaster program must be completed by next August, as the program will expire at that time.

As another example of financial dross, the levee board yesterday delayed action on a bill for \$100 from the Regional Industrial Development Corporation of St. Louis for the district's customary contribution

MORE ABOUT Multiple Injuries

was to have been drafted Tuesday, and John Jones, 20, of 4145 Highway 111.

Kick was admitted to the intensive care unit with a 3 1/2-inch laceration to the forehead, an inch laceration to the top of the head, lacerations to the left elbow and left leg, and abrasions and contusions to the head, face, back and leg. X-rays were taken.

Campbell suffered abrasions and contusions to the left shoulder and arm, a hematoma to the right leg and multiple scratches to the hands, arms, chest and ankles. He was admitted following x-rays to the skull and spine.

Jones was admitted with abrasions and contusions to both legs, back, right hip and chest. X-rays were taken of the chest, spine, skull and left shoulder.

2 Hurt in Crash

A two-car collision near Route 3 and Chain of Rocks road, shortly after 6:30 p.m. yesterday, resulted in injuries to two passengers in one vehicle.

Taken to St. Elizabeth Hospital for treatment were Miss Rosa Ann McKee, 19, of 2714 Cayuga street, who sustained contusions of the right hip and

knee and underwent x-rays and Michael Wise, 13-month-old son of Mrs. Phyllis Wise, 2208 East 24th street, who struck his head and had x-rays taken of the skull and facial bones. Both were released.

Driver of the auto in which Miss McKee, Mrs. Wise and her son were passengers was Miss Mary Ann Downs of Granite City. A fourth passenger in the Downs auto apparently was uninjured. Further details were unavailable.

Two Persons Injured
Charles A. Roessner, 65, and his wife, Mrs. Helen Roessner, 83, of 113 Paradise lane, were injured when his auto was struck in the right side by a car driven by Patricia D. Moore, East St. Louis, at 12:25 p.m. Tuesday at 28th street and Delmar avenue.

The Roessners were taken to St. Elizabeth Hospital where they were treated and released. Mrs. Roessner suffered abrasions and contusions to the right knee and right arm. X-rays were taken. Roessner had abrasions to the right knee. The Moore woman was charged with a right-of-way violation.

John Peterie, 35, and a passenger in his auto, Wilbur C. Thies, 34, both of Florissant, Mo., were injured when it struck a car driven by William C. Mathews, St. Louis, who was making a left turn from Route 151 onto Route 3 at 7:30 p.m. Tuesday.

Thies, who was unconscious at the scene, was admitted to St. Elizabeth Hospital following x-rays to the skull, spine and chest. Peterie was treated for injuries to the left leg and right knee and was referred to a physician.

Hits Traffic Signal

Marjorie H. Ferris, 39, of 1638 Delmar avenue, suffered minor injuries when her auto struck a traffic signal at East 20th street and Edwardsville road at 11:15 a.m. Tuesday. She had lightly applied her brakes and skidded on wet and oily pavement.

ELKS YOUTH DAY in which students held Granite City government offices yesterday. Meeting with their official counterparts standing behind them are, left to right, Deby Baker and City Treasurer E. R. "Pat" Rich, Perry Dillard and Fire Chief Earl Fronabarger, Mike Loftus and Mayor Partney; John Harizal and Police Chief Ronald Veizer; and Vicki Harmon and City Clerk Homer "Cal" Pendleton.

Loftus Named Mayor For Elks Youth Day

Mike Loftus, president of the Granite City high school Student Council, served as student mayor of the city Wednesday as the Elks National Youth Government Day was observed. Other GCHS students serving in offices were Vicki Harmon, city clerk; Deby Baker, treasurer; John Harizal, police chief; and Perry Dillard, fire chief. They met in the office of Mayor Partney with their counterparts, were treated to lunch and were familiarized with operations of the city. The program, arranged by George M. Gordon, youth activities chairman of local Elks Lodge 1063, and David Whitsett, exalted ruler, was part of Elks National Youth Week being observed this week. Assisting the Elks was Miss Selma Nelson, GCHS counselor who assisted in the lodge's Youth Leadership and Most Valuable Student contests in 1969. The two contests will be held again in the fall, according to Gordon.

Scholarships Offered By McKendree College

Four United Methodist scholarships valued at \$500 each have been awarded to McKendree College, Lebanon, through the United Methodist scholarship program. Applicants must be members of the United Methodist Church or one of its predecessors. Applications are now being accepted through the college's financial aids office. Prospective college freshmen must be in the upper 20% of their high school graduating class with at least a "B" average. A student already in college must have a grade average that would place him in the upper third of his class. Further information may be obtained by calling the financial aids office at the college.

Prather Vocal Set Tuesday

The tenth annual spring concert by the vocal department of Prather junior high school will be presented at 7:30 p.m. Tuesday, May 12, in the school gymnasium. Mrs. Isabel Schmidt is the director. Participating in the program will be the Freshman Mixed Chorus, the Girls Glee Club and vocal classes, with a total of 127 students.

Center Board Members Honored at Banquet

Students who served throughout the year on the University Center Board at Southern Illinois University - Southern were honored at the annual Recognition banquet this week in the Madison room of the University Center.

The dinner-dance began at 6 p.m. with a welcome from Robert Handy, director of the University Center. Following the banquet and presentation of awards, a dance featuring the rock group, "The Merge," from St. Louis, was held in Meridian ballroom.

The awards were given to outstanding students who served throughout the school year on the 13 committees of the board. Erik Wiehardt, 2532 East 27th street, received the UCB Service award for promoting the image of the UCB to the university community.

The board staff award went to staff member, Judy Boyle of St. Louis for keeping the student body and the outlying communities informed on the proceedings of the UCB. The hospitality committee was given the outstanding committee award for promoting the personality of the UCB. Awards were also given to students in the areas of outstanding service, congeniality, creativity and achievement in group service.

Coolidge Concert Band To Perform Tuesday

The Coolidge concert band, composed of 100 members, and directed by Robert D. Todoroff, will present the annual spring concert at 8 p.m. Tuesday, May 12, in the Granite City high school auditorium.

Featured selections will include music performed by the band at the state contest, where they won first place awards as well as other band selections. Highlighting the program will be the Coolidge Latin American Ensemble, making a first public appearance.

CHRISTINE NAGLICH

Miss Naglich Wins \$1000 Pharmacy Award

Christine Naglich, daughter of Mr. and Mrs. Mike Naglich, 2345 Clark avenue, has won a \$1000 scholarship to the St. Louis College of Pharmacy where she is enrolled for the next school year, her parents were notified Tuesday.

Miss Naglich, a senior at Granite City high school, is apparently unaware of the award as she is with a group of members of Masque & Gavel which is touring New York City this week.

She is the first GCHS student to win the particular scholarship. It is based on test scores of the American Chemical Society.

She took an advanced division test given April 18 to students in St. Louis area schools.

Trailfinders Campers Hold May Cookout

Members of the M. B. Trailfinders Camper Club returned home this week from the annual May cookout and barbecue held at Honeywell Lake in Honeywell, Mo.

Mr. and Mrs. James Hoover and granddaughter, Cindy, Paul Moore and Mr. and Mrs. Robert V. Moore all of Granite City attended the two-day camping excursion with other members of the club who reside in both Illinois and Missouri. An educational tour was combined with the campout with several members visiting Mark Twain Memorials at nearby Hannibal.

MRS. DORIS STOTZ
2571 Hodges Avenue
876-8044

Members of the Koffee Klatchers Social club met at Roderick's restaurant Tuesday afternoon for a luncheon and to make plans for the May meeting, which will be held at the home of Mrs. Carmen Grider, 2675 Washington avenue.

The group discussed sending a planter to a member, Mrs. Helen Santiago, 2825 Edwards street, who is a patient at St. Elizabeth Hospital, Room 226. Visitors are permitted.

Attending were Mrs. Mary Rita Ahlers, Mrs. Helen Bertach, Mrs. Pat Eaton, Mrs. Ann Kazman, Mrs. Doris Stotz, Mrs. Joan Yetter and guests, Mrs. Barbara Blackburn and daughter, Stephanie.

WEBSTER PTA TO HEAR GIFTED PROGRAM TALKS

The Webster PTA executive board held its final meeting Tuesday evening at the school to make arrangements for the installation of officers at the May 11 PTA meeting and to discuss plans for the annual school picnic.

The president, Mrs. Annette Scrum, presided and gave a report on a recent fish fry. Clyde Lee, principal, announced three speakers on the gifted program. Owen Humphrey, curriculum coordinator, William Brinkhoff, director of the state demonstration center here, and Mrs. Sara Sowell, director of the gifted program.

Mrs. Mac Lee was appointed chairman of a special purchasing committee and Mrs. Scrum and Mrs. Eva Arbogast gave a report on purchases and games for the June 4 picnic at Wilson Park; featured will be bumper cars, a cork shooting gallery, fish pond and hoop games. Pat Schuman, sixth grade teacher, is chairman of the annual event.

Mrs. Doris Stotz, room mother chairman, announced that a meeting will be held May 26 at 1 p.m. in the school cafeteria to assign booths for the picnic. Those interested in helping may contact her at 876-8044.

Lee gave a report on field trips for all grade levels. Also present were Mrs. Alma Buente, membership chairman, and Mrs. Allene Moore, vice-president.

Washington school Junior Girl Scout Troop 734 met with Mrs. Venka Ambuehl and Mrs. Rosemary Ortiz Monday and made plans to go on a neighborhood outing.

A flag ceremony with the pledge and promise began the session and the leaders reminded the scouts of the Jesse James Territory trip that all troops in Neighborhood Two will participate in June 6. The scouts will assemble at St. Joseph's for the all-day bus trip to Missouri.

The troop discussed a mother-daughter banquet held during the weekend, games and songs were enjoyed in patrols. Closing ceremony included a friendship circle and "Taps."

Present were Kathy Ambuehl, Karen and Sharon Cantoni, Pamela Collins, Darlene Connor, Venus Derr, Debbie Elkins, Paula Elmore, Tammy Keeton, Catherine Ortiz, Diane and Melissa Plett, Vikki Seaton, Rhonda Smith, Tami Taylor and Laura Wilson.

The troop will welcome several new members and bridge sixth grade Junior Scouts to the Cadette level later this month.

FOCUS WEEK BANQUET

The Girls Auxiliary of Grace Baptist Church observed GA Focus week with a mother-daughter banquet at the church Tuesday evening, with 47 members and guests participating.

Each mother was presented with a corsage. Mrs. Gloria Joyce, GA director, gave the welcoming address and introduced the pastor, Rev. Clifford Moeller, and GA leaders, Mrs. Bernice Sharp, intermediates, and Mrs. Sharril Young. Mrs. Linda Hogan, Mrs. Sue Burkhardt and Mrs. Fran Finley for the juniors.

Each girl introduced her mother or guest and Rev. Moeller offered prayer. Hogan told of her life behind the Iron Curtain and how she and her mother escaped. She also told of her life in the U. S.

Attending were Rev. Moeller and daughter, Debbie, Mrs. Beverly Fanning and daughters, Brenda and Cheryl, Mrs. Carol Fritts and daughter, Tammy, Mrs. Fran Carey and daughter, Susan, Mrs. Lenore Wotky and daughters, Frances, Vickie and Susan, Mrs. Patricia Wallace, Robin and Denise Beavin, Mrs. Joyce Green and daughter, Diane Harris, Mrs. Pauline Kiel and daughter, Karen, Mrs. Shirley Warren and Mrs. Shirley Warren and daughter, Stephanie.

DWIGHT FORET EARNS EAGLE SCOUT RANK

Boy Scout Troop 23 met Tuesday at the Long Lake firemen's recreation hall to honor Dwight Foret, who received the Eagle Scout award, highest Boy Scout rank.

Charles Kennerly was master-of-ceremonies and Dennis Foret, brother of Dwight, led the pledge of allegiance. Assistant Scoutmaster Dan James led singing. Rev. Gus Faller, Jr. and Rev. Lowry Sutherland offered prayer. Eagle Scout John Harper read Eagle qualifications and Henry Hellrich, Dwight's former scoutmaster, gave the challenge.

Bill Irwin, district executive, read the charge and Scoutmaster Lenny Barron presented a letter of congratulations from the national council. Otto Kreher presented the badge, with a certificate presented by the scout's father, Ray Foret. Dwight then presented an Eagle pin to his mother.

Refreshments were served to a large gathering. Becoming a cub scout at the age of eight in 1964, he became a Boy Scout in April 1967, advancing to star rank in August 1968 and life rank in February 1969. He joined the Order of the Arrow last September.

daughters, Romana and Claudia, Christy Baker, Mrs. Jerry Childers and daughters Cindy, Becky and Jeanette, Mrs. Kathleen Sitter and daughter, Dena, Mrs. Shirley Millikin and daughter, Lisa.

SUMMER CLUB EVENTS
Summer outing plans were discussed by members of the Gay Twenties Social club at a monthly meeting Tuesday evening in the home of Mrs. Jo Ann Bauer, 1745 Courtenay blvd., with nine members participating.

The president, Mrs. Dianne Hill, presided and suggestions were offered for summer activities for couples, including a trip to St. Louis to see a ball game and to the opera to see Glenn Campbell.

Tentative plans were made to charter a bus for a trip to the DuQuoin state fair. The club discussed a gift for a member, Mrs. Ann Moehle, who gave birth to a girl, Rhonda Ann, Monday at St. Elizabeth. The meeting adjourned for a social hour and prizes were awarded to the winners in games.

The hostess served a tidbit luncheon followed by a dessert course to those mentioned and Mrs. Dana Harper, Mrs. Kathy Scholebo, Mrs. Betty Pike, Mrs. Carol Lipe, Mrs. Judy Rainwater, Mrs. LaVerne Wimberly and Mrs. Jane Scaggs.

Mrs. Scholebo, 1701 Courtenay, invited the group to her home for the June 2 meeting.

Brownie Troop 47 of the Niedringhaus PTA met at the school with Mrs. Jo Ann Dix and Mrs. Norma Macias this week. A flag ceremony by Stephanie Brandt and June Hutchings opened the meeting.

The scouts responded to roll call with spring flowers and an election was held; Pamela Gray and Susan Seilheimer will handle secretary-treasurer duties and Lori Jones will be historian.

While younger members continued work on sit-upons for day camp, second-year scouts read for play roles that they will perform for their mothers at an investiture ceremony at the school June 2. Susan Seilheimer was chosen as narrator. Others present were Jacklyn Bogasian, Mary Ann Colbert, Mitzi Daniel, Elizabeth Dehn, Jane Giegus, Dava Gibson, Pamela Gray, Sandy Gray, Kathryn Hicks, Ann Holder, Sandy Lathrop, Rhonda Lawrence, Janet Lewis, Karen Macios, Karlene Powell, Julia Ross, Tammy Simpson, Beth Scholewski, Sandy Thompson, Kim Watkins and Karlene Weible.

MOTHERS HONORED BY HOLY NAME BOOSTERS

St. Mary's Holy Name Boosters honored 78 mothers and guests at a breakfast at the St. Mary's Catholic Church school hall Sunday morning after the 7:30 Mass.

The ladies were served by the men of the Boosters club. Fr. Michael Wrensing offered prayer before the breakfast.

Seated at the head table were Fr. Wrensing, Portelli, Mrs. G. dian, president of St. Ann's Altar Society, Mrs. Fanny Malone, president of the Parent-Teacher Association of St. Mary's school, and Mrs. John Yurko, secretary-treasurer of the PTA.

The Boosters commended the mothers of the parish for work they have done to promote good will in the parish and the community.

Bill Shirey was chairman of the kitchen. Mike Mejski, "gourmet king of St. Mary's," had as his helpers Bill Czokovich, Andy Yurko, Portelli and Joe Lang. Waiters were Jack McKinney, Alex Schenckhoff, Ed Bunk, Leo Such, Ed Lelanski, Steve Mejski, Anthony Ratkewicz and Mike Kmetz.

RETIRING TEACHERS HONORED AT BLAIR

Two Madison school district teachers who are retiring this spring were honored during ceremonies Sunday afternoon at Blair grade school, where both are faculty members.

Those honored were Mrs. Leola Johnson and Mrs. Clara Taylor. Mrs. Ada Walton presided at the program.

Speakers included administrators and fellow employees. R. L. Spillers, Porter Cawly and Mrs. Mary Evans, and a former pupil, Mrs. Maria Wats, presented an instrumental solo.

Flowers were presented to the honorees by Spillers, and there were gifts, remarks by friends, and refreshments.

3 Charged in Beating Of Madison HS Boy

Three youths have been arrested by Madison police on battery charges in connection with the beating of a 16-year-old Madison high school student on the high school parking lot a week ago, police said today.

Those charged are William Jones, 17, of 305 Mesocadia street, Venice; Curtis Wimberly, 18, of 613 West Third street, Madison; and Lawson Mason Jr., 19, of 1202 Market street, Venice. Jones was released on \$100 cash bond and the other two were released on recognizance bonds, pending hearings.

They are charged with attacking William Dale Bridges, 16, as he was getting in his car about 1 p.m. last Friday. Bridges told police one of the three boys struck him and knocked him down, then all three of them "stomped" on him.

William Fanning, juvenile officer of the Madison police department, said both Jones and Wimberly are Madison high school students and Mason is a student under suspension.

Members of the Granite City Duplicate Bridge club gathered at the Elks club Sunday evening for their weekly game. Prizes for the night were won by William F. Beatty and Mike Barnes, first; Al Schaefer and Fred Nissen, second; and William Garner and Gene Duncan, third.

PRACTICE INVESTITURE

Brownie Troop 340 met with the leaders, Mrs. Inge Modric and Mrs. Delores Smith, Monday at Parkview school. Troop President Susan Rangle led the girls in reciting the pledge of allegiance and Brownie promise. Christine Coleman called roll and Laura Sikora collected Brownie gold.

The afternoon was spent practicing for an investiture ceremony which will be held following a mother-daughter banquet May 15. Scouts worked on memorizing the Brownie promise and Girl Scout promise. The leaders collected

money for scout pins that will be presented the night of the banquet.

Girls present in addition to the officers were Sandra Marlette, Dawn Ford, Cherry Modric, Nancy Smith, Susan Wisch, Helen Goeller, Donna Kowlett, Tracy Angleton, Ann Francis, Cynthia Goeller, Robin Lynn Howton, Theresa Murphy, Tammy Myatt, Pamela Snelson, Kimberly Spahr, Patricia Welch and Tracy Barham. Pantomime games were played to close the meeting.

GIRLS AUXILIARY

The Intermediate Girls Auxiliary of Third Baptist Church met Tuesday night at the home of Carla Watkins, 2029 Edison avenue, for a monthly meeting and to plan for "Focus Week."

Colleen Fitzgerald called the meeting to order, and Mona Clark led opening prayer. The secretary-treasurer report was given by Janet Gauen.

The special week will be observed May 10-16. Special events discussed and planned were: May 11, 6:30 p.m., a progressive dinner; May 12, a mother-daughter get-together at the church; and May 14, bowling at 6:30 p.m.

Arrangements were made to take a "sunshine box." The meeting ended with the girls working on "forward steps."

The hostess and her mother, Mrs. Carl Watkins, served refreshments to those mentioned and Mrs. Peggy Short, counselor of the group, and Cheryl Fitzgerald, Brenda Weidner and Diane Greer. The next meeting will be May 19 at the home of Pam and Mona Clark, 2253 Dawn place.

FELLOWSHIP CAR WASH

A car wash is set for Saturday on the parking lot of the Nameoki United Methodist Church on Pontoon road. Sponsor of the fund-raising project is the Senior High group of the Methodist Youth Fellowship. Advisors are Mr. and Mrs. James Rhea and Mr. and Mrs. Roger Tracy.

Youth of the church attended a "youth rally" Sunday at St. John's Methodist Church in Edwardsville. Also present were the Rheas and the Tracys. Those attending the rally were from churches throughout the St. Louis district. Groups were set up in the arts, including drama, art, music and light, and the entire rally then presented an original "celebration of life" service.

MARYVILLE PTA TO VIEW 'UN SESSON'

The Maryville PTA will meet Tuesday, May 12, at 7:30 p.m. at the school to hear the New Life Singers from the Assembly of God Church at 24th street and Grand avenue, and to witness a mock United Nations session presented by Jean Messick's sixth grade class.

The executive board met Tuesday night to complete plans for the May meeting and to discuss arrangements for the school picnic. Mrs. Charlotte Hayes is chairman of the picnic, to be held Monday, May 25, from 12:30 p.m. to 3 p.m. at Wilson Park.

The PTA will sponsor a trip to the St. Louis Cardinal ball game May 14 for members of the school safety patrol. The sixth graders will take a field trip, also sponsored by the PTA, to New Salem State Park May 22.

Members present were Jack Mulach, principal, and Harold Brandon and Mesdames Mary Lou, Mrs. E. J. Cooper, Marian Hall, Charlotte Hayes and Ruth Hubbard.

New Brownies of Troop 270, 620, and 159 met Tuesday afternoon at Nameoki school. The leaders, Mesdames Cheryl Humphreys, Carol Chapell, Linda Hurt and Kathy Pfaff reminded the girls of a scout roller skat-

ing party held yesterday at the Stardust rink.

The leaders led the Brownies in reciting the pledge of allegiance and Brownie promise. An investiture ceremony was practiced and the troop went outdoors for further practice and to play games.

Soft drinks and cookies were served to Karl Hargrove, Theresa Harp, Carol Robett, Raye Hurst, Angela Rapp, Beth Newsome, Kendra Rapp, Beth Conrigh, Donna Parker, Jamie Cornet, Laura Chapell, Kim Blankenship, Laura Humphreys, Bette Pfaff, Carla Cunningham, Julia Hill, Gina Deleveski, Sandra Tegel, Michelle Jenne, Lisa Randall, Paula Stirling, Lauren Jarrard, Jennifer Herman, Bette Lybarger, Jo Ann Szadai, Joyce Vaughn, Theresa Buckingham, Linda Rogers, Kimberly Darter, Cindy Horn, Kristin Wright, Linda Jones, Annette Beedle, Margaret Smietek, Donna Wofford and Susan Collins.

Lost From Breese HS Gym Found in Madison High Bus

A quantity of cash, watches, rings and other articles reported stolen from a gymnasium locker room at Breese, Ill., was recovered by Madison police Monday evening after a busload of 18 Madison high school students returning from a track meet at the Breese school was escorted directly to Madison police headquarters where the bus

and the students were searched, police reported. Police said they received a report late Monday afternoon from Dan Hopcus, coach at Matri Dei High School in Breese, that lockers had been looted in the school gymnasium during the afternoon track meet in which the group of students from Madison high school had participated.

At that time, police said, the chartered bus carrying the Madison high school students was on its way back to Madison from Breese. Hopcus, authorities said, reported about \$150 in cash, two wrist watches, class rings and

other items were among the missing articles. Bus Students Searched Madison officers went to the Madison high school and waited until the bus arrived. The bus was not permitted to unload at the high school. The driver was directed to take the students to the police station. There, the students were taken inside the police station and police searched the bus.

Found in the bus, police said, were two white gold wrist watches, one pair of sunglasses, a wallet containing \$5 and the identification of a Breese high school student; two \$10 bills, five \$1 bills; one 25-cent piece.

a Matri Dei high school ring, a chain with a gold ring, a silver ring, and a key. Fanning, Madison juvenile officer, said Hopcus was notified and he picked up the articles that had been recovered. No charges were filed and the students were released, Fanning said.

The students ranged in age from 14 to 16 years of age, police said.

Another GC Sewer Break -- \$134,020 Expected from OEP

Another sanitary sewer line break and the possibility of two others were announced Monday night's Granite City council session, but a hope of a little good news was brought out with a "provisional approval" of another grant of federal funds amounting to \$134,020.

Mayor Partney said he was notified by the Office of Emergency Preparedness that the city's application for \$184,000 federal funds had been cut to a second location along the Rodger avenue line. Street forwarding to Washington, D. C., Supt. Warfield told the council

for top level approval. The funds are earmarked for the Rodger avenue sewer break in the 320 block, resulting from last year's flooding rains in June and July. If the federal funds are allocated, the work must be completed by Aug. 28, the mayor reported. That is the same deadline date the OEP set for the Lynch avenue sewer replacement project.

The latest sewer break is at a second location along the Rodger avenue line. Street forwarding to Washington, D. C., Supt. Warfield told the council

Monday night he is ready to start pumping sewage around the break. Suspected break locations were reported and are being kept under close watch. Alderman Boker said one location is at the rear of St. Elizabeth's school and Warfield said another is near Franklin avenue and Ponton road.

Council members authorized A. H. Seebold Co. to proceed with repair or replacement of the Rodger avenue sewer under

the guidance of the city engineer. Engineer Kieberger, when asked by council members, said he was certain the contractor would be able to meet the Aug. 28 deadline for completion.

He also reported that a study with recommendations for proper maintenance of sewers will be completed shortly and submitted to the council.

'No Tunnels Dug,' But Car Falls In

Police were called to the old cemetery behind Kirkpatrick Homes at 5:30 p.m. Monday on a complaint that boys were digging tunnels there.

After talking to several boys who denied digging, the officer had to call for a wrecker. His patrol car fell into one of the tunnels.

Rocks Break Windows

Mildred J. Davis, 2124 Missouri avenue, reported at 5 p.m. Monday that someone throwing rocks broke windows in the front of her home on Saturday or Sunday.

Triple-Header Debate over Budget, Payroll and Pay Increases

A triple-header debate developed during Monday night's Granite City council session as the aldermen and mayor argued pay for the two women desk clerks in the police department, pay increases for city employees and the forthcoming 1970-71 budget.

The salaries of the two women for the first half of May again was separated from the payroll and a motion not to pay them was once again approved by the council. This marks the third month of payless paydays for the two clerks who started work on Feb. 1.

Council members are challenging Mayor Partney's authority to appoint the two women to police duties, saying the jobs must be held by policemen under city ordinance and that paying the salary of one desk clerk is in violation of the city appropriation ordinance of last year.

Last week the council rejected the mayor's appointment of the two women to one-year assignments and he named them for 30 days. The women are seeking action against the city in the small claims court, and the police union this week filed suit against the police chief over the two assignments.

Union Protest
James Coffay, union representative for city hall employees, appeared before the council again Monday night to protest the council action.

He spoke after Alderman Rutledge commented that once the matter goes to court, the women could receive five or six times what is owed them, de-

pending on a ruling of the court.

Coffay asked, "How long is this going to continue. I went to the Labor Board last week and was advised that I could file a breach of contract suit against the city, and I'm in the process of checking that out now with a lawyer."

He added that the women are working for the city despite the dispute between the mayor and council. "You're taking your spite out on them and making them your whipping boy, or girl."

Alderman Answers
The union agent was answered by Alderman Basarich, who said the council would authorize the pay as soon as the women are back on their regular jobs. He added that to authorize payment of the salaries would put the council in the same position as public bodies in East St. Louis that are being indicted for illegal payments.

"You ought to go to court," he advised the union official.

Entering the debate, Nunn commented, "You can't transfer people when it's against the law," and he asked Coffay, "Why don't you enjoy the mayor's jobs?" The council didn't create the jobs.

Coffay replied that he had objected when the mayor put them on the jobs. "If you don't pay them, they'll be going on welfare rolls," Coffay added.

Several of the aldermen laughed.

Alderman Moerlein, Finance committee chairman, stressed that the mayor assigned the two women to the jobs on Feb. 1 without the approval of the council. "This is a legal matter. The mayor doesn't have a right to make such changes, especially since there is nothing in the police department ordinance that would permit the size of the department to be enlarged."

"Can't Be Done"
"This can't be done under state law," Moerlein continued. "The mayor just can't make such appointments. Why under these terms, he could go out on the street and hire people for the police department."

The final remark was by Moerlein in that phase of the triple debate. "This will have to go to court to be decided."

Public Meeting on Budget
Nunn recommended a public meeting be called to go over the city's new budget before final passage. "This would give the public a chance to have it reviewed for them by the council, with explanations of what is

going on and what is needed."

No date was set for such a meeting, since the council has only the mayor's budget proposal and has not submitted its version.

Moerlein and the mayor then began arguing the merits of a pay increase ordinance submitted two weeks ago by the mayor granting \$50 monthly increases to policemen, firemen and sewage treatment plant employees.

Unable to Find Record's

The alderman said he could not find provisions for the pay increases in the mayor's budget, and that he spent two hours searching through council meeting records and could find no agreement for the \$50 increase.

He added that the mayor's pay increase ordinance also provided differential pay for fire department officers that varied from those for officers in the police department.

"The financial condition of the city now is worse than a year ago. You've provided the increases without consultation with the council or the committees. I can't follow your counsel," he said.

Mayor Partney reviewed last year's wage negotiations, pointing out he had received an agreement from the police department for a \$35 monthly increase and then the council granted \$75 a month to the fire department along with changes in differential pay and the \$50 increase for 1970-71. To Moerlein he remarked, "and you sit here and voted the \$75 and \$50."

Moerlein repeated he could find no record of it in the council meeting minutes.

"They're in the clerk's office. I'll show them to you," the mayor remarked. Moerlein answered that he would be at the city hall the next day.

Another Exchange
Moerlein continued, "The Wage Negotiating committee had no knowledge of the ordinance you submitted." The mayor replied that he as mayor was an ex-officio member of every council committee. "I've been on the committee since the day it was created," he added.

Commenting on the mayor's budget, Moerlein said that comparisons with last year's budget failed to show pay increases for police and firemen, and he indicated the mayor was trying to misguide the council.

Baker called upon Donald Partney, an officer in the fire department union, to speak. Partney showed the council a

copy of a registered letter and part of the meeting minutes sent to each alderman on July 28, 1969, outlining the pay increases.

It was explained by Partney that a resolution giving the \$50 increase in 1970-71 could not be submitted in the 1969-70 fiscal year, and that it was necessary to wait until after May 1.

Whitmer then called for a complete review of the mayor's budget during a council meeting.

"And the council can submit its budget so we can iron out all of this," he added that he would like to be included when the council sits down to prepare its budget, since he had been left out for several years.

The debates finally ended as Mayor Partney remarked he was required by law to submit a budget. "I've done it every complete review of the mayor's budget, and each year it has been voted down."

City Wants Dobrey Slough Pipeline Relocated in Field

Relocation of the pipeline installed by the Jevett district to pump water from Dobrey slough to a ditch south of Pontoon road was proposed Monday night by Alderman Baker to reopen Lynch avenue which has been blocked off because of the line for nearly a year and a half.

Mayor Partney reported to the council that persons with homes along the line are complaining that the joints are leaking and flooding their property.

Baker suggested the line could be removed from its present location and placed across the field east and south of the apartment buildings. "That was done once before when a contractor attempted to lower the level of the slough and it could put an end to another of the inconveniences to the residents along Lynch avenue."

The levee district is to be advised of the leaky connections and the request for relocation.

Dawes complained that two residents of Oaklawn Terrace were unable to cut their yards because of dewatering wells installed preparatory to the undertaking of repairs to a sanitary sewer line. Start of the repair project was stalled in hope federal funds would be available, but the project has been turned down by the Office of Emergency Preparedness.

"It's up to the council to act now," Mayor Partney remarked.

No action was taken by the council.

Dawes also complained that resurfacing of Pontoon road between Franklin avenue and Maryville road has not progressed. He was advised by the city engineer that the proposal now is before the state highway department.

Alderman Robertson complained of a build-up of lots off West Pontoon road by a devel-

oper was causing nearby property to flood. There was no action, as the alderman called for aid from the city inspector and mayor.

Permission was given James Simpson, coach for the Comet boys' baseball team to solicit funds for equipment in the business district. He said the team has no sponsor and is unable to find funds for the needed equipment. He added that the manager presently is in the hospital, and that the boys are ready to go, having sold park district stickers to cover insurance costs.

Home Loan Problems Explained to Club

Jerry Thompson from Plasa Savings and Loan Co. of Alton was the principal speaker at Tuesday's luncheon meeting of the Granite City Rotary Club, and he told of the plight of the banks and savings and loans in loaning money for construction of homes.

He said the problem basically is too many people are interested in living beyond their means, and by borrowing money have caused the interest rates to go up. Private investors are putting their money in stocks and government bonds where they can earn a higher rate of interest, therefore limiting the amount of money available to loan to homeowners.

Thompson stated, "In my opinion, the answer to the problem is for the government to get out of the finance business and release the controls set for the lending institutions on the rate of interest they can pay investors."

Dean L. Berry presided at the meeting attended by 31 members. John Krevovich was in charge of the program.

Granite City PRESS-RECORD

McCart Named Airman 'Of Month' at Sheppard

Mr. and Mrs. Elmer Baumeier, 2804 Buxton Avenue, have received a letter from Capt. Norman F. Samuelson of the Air Force informing them that their grandson, James McCart, has been selected as "squadron airman" of the month. The captain commented on the airman's potential for continued success in the Air Force and reviewed how he has contributed to the effectiveness of the squadron.

The serviceman enlisted earlier this year and presently is stationed at Sheppard Air Force Base in Texas. A 1968 graduate of Granite City high school, he attended SIU-SW and was residing with his grandparents prior to his enlistment in the service. He is specializing in aircraft maintenance.

Airman McCart was recommended by his fellow airmen out of a class of 450 and was selected by a board of permanently assigned squadron personnel who based their selection on military appearance and bearing, academic standing and knowledge of the Air Force mission, organization and operation.

SIU Spring Enrollment Shows Increase of 8%

Spring quarter enrollment at Southern Illinois University's two campuses has been totaled at 33,035 students, an eight percent increase over the same period a year ago.

Registrar Robert McGrath said 21,533 students are in residence at SIU-Carbondale and 11,482 at the Southwestern campus.

The figures show enrollment drop of 219 from last fall. McGrath said the decline—sharper than usual—is due to the fact that only upper-half high school graduates may enter SIU during the regular academic year. In the past, requirements were softened after the fall term to help stabilize enrollments across all three regular quarters.

The graduate school, with 5253 advanced-degree students enrolled on both campuses, showed an increase of some 400 over fall. McGrath said it is a customary fall-to-spring upturn.

Figures do not include those enrolled in extension or adult education classes.

120-Member GCHS Band Venice-Madison On Tour in Houston

An inspection tour today of the National Aeronautics and Space Administration Center (NASA) at Houston and a baseball game at the Houston Astrodome this evening are just two of several events being experienced this week by members of the Granite City high school band.

The 120-member group, accompanied by 14 chaperones, departed from the local high school by chartered buses early Monday morning, arriving at Poplar Bluff, Mo., for a picnic lunch at 12:30 p.m.

By seven o'clock the same evening, the band members were in Little Rock, Ark., where they dined at the Golden Host cafeteria before continuing the bus trip to Houston, reaching there about 8 a.m. Tuesday.

The youthful musicians began their exploration of the Houston area Tuesday afternoon by touring the historic San Jacinto Battleground, site of a short, but decisive conflict between Texan and Mexican armies. They returned to a motel for dinner and spent the evening around the motel pool.

Yesterday band members were guests at Furr junior-senior high school in Houston. They presented two concerts, then joined the students for lunch in the cafeteria.

Wednesday afternoon, the young people traveled to Galveston, Tex., spending the afternoon swimming at Stewart's Beach on the Gulf of Mexico, followed with dinner at Jack Tar's restaurant in Galveston. The tour of NASA's complex, located 21 miles south of Houston, began at 10:30 a.m. today.

The local visitors were escorted through various sections of the manned space center by agency personnel and also viewed films and outdoor exhibits.

A shopping trip in downtown Houston was conducted late this afternoon and attendance at the Houston Astrodome baseball game in the \$31.6 million Astrodome is scheduled for tonight.

Before leaving Houston tomorrow, the local high school students plan to swim, checking out of the motel by 12:30 p.m. and starting the return bus trip about two o'clock.

The itinerary also calls for dinner Friday evening in Shreveport, La.

Twelve hours later, the local band members are due to disembark at a motel at Poplar Bluff for breakfast and are expected to arrive at the senior high school parking area here by 1 p.m. Saturday.

Chaperones are Louis E. Meek, Joseph Owens, assistant director, Mrs. Helen Christich, Mrs. Adeline Lee, Mrs. Anna Hogan, Mrs. Earl Phelps, Mrs. Dolores Corbett, Mrs. Adrienne Reuter, Mrs. Carl Mathias, Mrs. Anna Metz, Steven Dornghazi, Mrs. Mary Nell Hudson and Mrs. Lula Mills.

Most expenses of the annual spring band tour are financed with funds contributed by the public during "Tag Days," conducted by band members and the Band Parents Association during Easter recess. Chaperones, however, pay their own expenses while on the trip.

Sheila Obranovich To Teach at Cahokia

Sheila Obranovich has accepted a teaching position with the Cahokia high school in Cahokia according to the records of the SIU Placement Service. A daughter of Mr. and Mrs. John Obranovich of 1810 Second street, she will receive her B.A. degree from SIU at the June commencement.

Science Club to Tour Chicago This Weekend

Members of the Science club of Granite City high school will leave by charter bus tomorrow for Chicago where they will tour the Museum of Science and Industry.

The trip was financed by a car wash, bake sale and sales of pennants. The group will return Saturday night. They will be accompanied by Paul Vogt, club sponsor, and his wife.

Student Government Day Venice High School Students

Venice high school students will observe Student Government Day next Wednesday by filling the seats of Venice city officials for the day. The students will elect city officers tomorrow.

The School of Medicine at Southern Illinois University, Carbondale, will open its doors in 1972 and will train 50 physicians a year.

City Seeks U.S. Funds for Four New Patrol Cars

Application for a grant of \$13,533 federal funds for purchase of four police patrol cars and four walkie-talkie radios for the Granite City police department was authorized Monday night by the city council with adoption of a resolution.

Police Chief Ronald Veizer explained the funds are available on a 75-25% basis, and the city will have to pay \$511 toward the purchases.

The application is to be filed next week with the Illinois Law Enforcement Commission under the Omnibus Crime Control and Safe Streets Act, which allows for purchase of additional equipment for police departments.

"We'll keep the patrol cars we have, and put these others in operation. Of course, we don't plan at this time to enlarge the police department, but we will have the new vehicles at a time when we need them," Veizer said.

He was referring to the wrecked and worn-out police cars. Bids have been received for five new patrol cars, but purchase has been stalled because of the lack of funds.

Chief Veizer said the application is limited to 80% of the department budget. At present, the department has nine vehicles and three walkie-talkies.

Council members were advised that Police Sgt. Everett Kieck was injured April 17 in a scuffle while making an arrest. He suffered a hip injury and is under the care of a specialist.

Permission was given by the Board of Fire and Police Commissioners to purchase a new supply of examinations for the police and fire departments.

Council OK's Costs In Small Claim Filing

City Atty. Leon Scroggins was authorized Monday night by Granite City council to file small claims court proceedings in the event payment of city claims against individuals are not paid for damage to city property.

Scroggins explained that in most instances where city property is damaged in an accident, the individual or an insurance company pays, but there are cases where a dispute arises.

The city has been filing such claims when a vehicle knocks down a stop sign or a traffic signal standard in an accident. Authorization of the council was needed, Scroggins said, to pay the court costs which amount to \$7 filing fee for claims under \$500 and \$7.40 for service by the sheriff's office.

Autos driven by Thomas Joseph Sennwald, St. Louis, and Larry J. McKee, 2005 Richmond avenue, collided at 2 p.m. Monday on the parking lot at the main post office.

3rd Addition for Wilson Park Estates under Study

Development of the third addition for Wilson Park Estates by the Reinhardt Agency is being proposed, and the plat and plans were submitted Monday night to the Granite City council. They were referred to the city engineer for recommendation.

N. H. Reinhardt, developer, submitted the plat and development plan along with plans for streets, storm sewers and sanitary sewers.

Placed on file by the council were two letters from the Granite City school district pointing out that plans for sanitary sewer lines from two new school sites were in the hands of the city engineer for approval. A resolution authorizing connections onto the city sewer system was approved.

A regular gravity flow line is to be installed from the tract along Old Alton road and a force main type sewer is to be connected with the city system from the new site at Nameoki and Maryville roads near Mitchell.

The force main type sewer does not permit tap-ons.

A petition with 17 signers protesting location of a house trailer at 2023 or 2025 Pershing avenue was presented to the council and was referred to the city building inspector and ward aldermen.

Two excavation permits were approved for Illinois Power Co. to install a gas main on the

City Sales Tax Income \$51,242; Payroll, \$55,657

Sales tax revenue for the city amounting to \$51,242 for the month of January was received Monday night by Granite City council members who later in the meeting transferred \$32,200 to other accounts and approved a half-month payroll of \$55,657 and a bill totaling \$24,101.

Of the \$32,200 fund transfer, \$13,504 is going to the police department, \$13,464 to the fire department, \$1529 to the school crossing guards, \$2583 to the general government account, \$338 to the city hall fund, \$480 to the humane department, and \$100 to the audit account.

Major items on the bill included payments of \$794 to the engineering firm of Research Planning & Design Associates for motor fuel tax work.

Other payments were \$1707 to East St. Louis & Interurban Water for April rental on 42 fire hydrants, \$4501 to Illinois Power Co. for street and alley lights and \$5593 as the city's share of the Illinois Municipal Retirement Fund.

The council was advised by the St. Louis Union Trust Co. that a payment is due on the revenue bond issue for the Nameoki area sanitary sewer system on June 1, totaling \$45,804. Of the total, \$25,000 is for principal, \$20,720 for interest at 4 1/2%, \$53 for handling and \$1 for postage.

Approved by the council was an expense allowance of \$181 for Civil Defense Director Victor H. Koenig, who also is a state representative on the U. S. Civil Defense Council, to attend the Region IV annual meeting at Battle Creek, Mich., May 14-16.

Madison Police Dance Set Saturday Night

The Madison Police department will sponsor its annual dance Saturday night at Polish Hall, 826 Greenwood avenue, it was announced today.

Dancing will be from 9 p.m. until 1 a.m. to the music of Butch Butcherich's Polka and modern dance band. Tickets will be available at the door at an admission price of \$1 per person.

GC Town Fund Tax Warrant For \$28,000 OK'd

A tax anticipation warrant totaling \$28,000 for the town fund was approved Monday night by Granite City council members serving as the town board auditors. The money is to be borrowed at the interest rate of 5 1/2%.

Already owed for the town fund is a \$45,000 tax warrant issued in December 1969.

Opposed to the borrowing were Aldermen Rutledge, Jarrett and Boker and Mayor Parmley.

In an eight-minute town board session, the council also approved current disbursements amounting to \$11,186, including \$6114 from the town fund and \$5052 from the general assistance fund.

Institutes for Math Teachers Announced

St. Louis University will give in-service institutes for junior and senior high school teachers of mathematics during the 1970-71 academic year. The National Science Foundation will support the program enabling 80 teachers to take part in the institutes.

In-service institutes are designed to strengthen the background of the mathematics teacher to prepare him to teach a modern high school curriculum. Classes will meet on Wednesday afternoons from 4:20-6 p.m. beginning Sept. 23, 1970. The courses have no prerequisites and may be taken for two hours of credit toward the master of science in mathematics degree offered at St. Louis University.

Linda Svezia Awarded Beta Eta Scholarship

Miss Linda Svezia, daughter of Mr. and Mrs. John Svezia, 1247 Oriole street, Venice, has been named the recipient of the Claribel Rehmschmidt Scholarship, an award established by the late Mrs. Rehmschmidt, a Venice school teacher, in memory of her aunt, a teacher in Illinois schools in the latter part of the 19th century and the early 1900's.

Miss Svezia, a senior at Venice high school, accompanied by her mother, was a guest last weekend at the annual "Found-

er's Day" luncheon of Beta Eta Chapter, Delta Kappa Gamma which presents the scholarship award. The event was held at the Colonial Super Club at Rosewood Heights.

A program, entitled "Recognizing Our Value Pattern," was directed by Virginia Wharton, chairman of the chapter's Professional Affairs Committee, and singing was led by Audrey Deeren.

Mrs. Martha Massa conducted the Founder's Day ceremony and Mrs. Marguerite Conole, immediate past president, formally presented the Claribel Rehmschmidt silver school bell to the newly installed president, Mrs. Julia Taake of Troy, Ill.

The scholarship winner is a member of the National Honor Society, Future Homemakers of America and the Venice student council. She is currently serving as senior class treasurer and was secretary of the junior class in 1968-69.

Miss Dulgeroff Given Library Internship

Miss Jayne Kay Dulgeroff, 3802 Franklin avenue, has received a Missouri State Library internship for the summer of 1970. Miss Dulgeroff will work at the St. Louis public library from June 15 through Aug. 7.

Miss Dulgeroff is a student at the University of Denver. The purpose of this internship is to give qualified young people an introduction to the profession of public librarianship through the experience of working in an established public library under the direction of a professionally qualified library director.

It is hoped that the people who are selected for the internships will become sufficiently interested in the profession of librarianship that they will wish to pursue it as a career.

To be eligible for the internship, a student must be either a sophomore or a junior in college and be a young teacher under 35 years of age who has done well scholastically, is in good health, and interested in the profession of librarianship.

A library internship is a summer position in one of 10 of Missouri's good public libraries. They are awarded on a competitive basis. The interns are paid \$975 per month. People interested in learning more about the library internship may contact the Library Career Consultant, Missouri State Library, 388 East High street, Jefferson City, Mo. 65101.

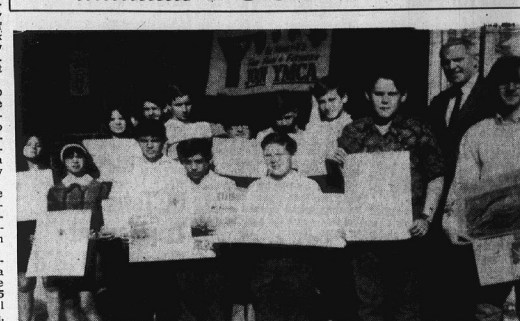

Coal Geologist to Join Staff at SIU

A coal geologist with research interest in environmental problems will assume the chairmanship of SIU-Carbondale geology department this September.

Arriving at SIU from Pennsylvania State University, where he is assistant director of Penn State's Coal Research Section, will be Russell R. Dutcher, a 43-year old native of Brooklyn, Colorado, Montana, Wyoming and Alaska, as well as Pennsylvania. Much of Dutcher's research has focused on sulphur occurrences in coal and a recent project of his involved a new approach to reducing sulphur in metallurgical coke.

He has degrees from the University of Connecticut, the University of Massachusetts and Pennsylvania State.

St. Joseph's Scouts Hold Weekend Outing

Boy Scout Troop 7, sponsored by St. Joseph's Church, held a campout last weekend on the Florissant bank of the Missouri river. Patrol training was stressed.

Troop leaders attending were Rev. Anthony Rochel, troop committeeman; James Hendricks, scoutmaster; Bob DeRuntz, committee chairman; and Alex Kary, treasurer.

Scouts at the campout were Roger Pitts, assistant senior patrol leader; Steve Norton, patrol leader; Rich Norton, assistant patrol leader; Wayne Fry, quartermaster; Dave Painter, assistant patrol leader; Gary Kary, senior patrol leader; Mark DeRuntz, bugler; and Allen Smith, Martin Tayon and Mike Kittle.

A field Mass was celebrated Saturday evening by Father Rochel. Some families attended. Souvenirs obtained by the scouts included two snapping turtles, a crawfish, a worm, a box turtle and poison ivy.

The troop, currently conducting a membership campaign, meets at 7 p.m. Wednesdays in the basement of St. Joseph's school. Its next campout will be the spring camporee May 22-24 at Nashville.

Business Wants College Drop-outs

Wanted — college drop-outs interested in pursuing meaningful careers in business and industry. Contact: Southern Illinois University's placement service at Carbondale.

A program, initiated by placement services whose primary purpose is to help graduates and potential employers, is in need of more "drop-outs," according to Eddie Smith, staff assistant and head of the project. The program, primarily directed toward the black college drop out, is open to all who have not obtained a degree, Smith said.

"Because the bulk of the black students at SIU are from the Chicago, East St. Louis, St. Louis and New York areas we have attempted to reach industrial and business employers in these areas," Smith said. "We have had 130 positive replies from companies who are willing to take these individuals and place them into some type of in-service training positions — management, sales, etc.," Smith said.

The program is operating on a trial basis and was initiated under the auspices of Area and International Services. Inquiries should be addressed

JC's Start Veterans' Appreciation Program

Plans for a "Veterans' Appreciation" program, recently adopted by the Granite City Jaycees, were announced this week by project chairman Tom Talley.

"Basic aim of the project is to let the returning servicemen know that the time he gave up for his country is deeply appreciated by the Jaycees and others in the community," Talley explained.

He said that present plans call for Jaycee members to personally contact each returning veteran, presenting the ex-GI with a "Certificate of Appreciation" and, hopefully, gifts and discount tickets from various local business firms.

Talley said that an appeal also will be made to area employers for information relating to jobs, job skills and requirements, in order to provide the veteran details about available employment requiring his particular skill.

The Jaycee chairman noted that servicemen frequently develop skills and trades in the Armed Forces entirely different to work they performed prior to entering the service. By obtaining job information, the Jaycees hope to inform the veteran which employer can best use his specific skill or trade," Talley said.

Relatives and friends of returning servicemen are invited to contact the Granite City Jaycees by writing to Post Office Box 3, Granite City, or by calling Dave Partney, at 877-8489. Organizations and individuals interested in learning more about the veterans' appreciation program, also are asked to contact the Jaycees for details, Talley said.

Print Media Added to Mass Communications Study Here

"Southern Illinois University's Southwestern campus is fortunate to be in the center of a thriving region of publications," William Ward of the mass communications faculty pointed out this week.

He added, "Next fall we are beginning a new option toward earning a bachelor degree in mass communications which will make it possible for a student to concentrate on print journalism."

"In the new program, an internship with an area newspaper or magazine will be required. Editors of newspapers and other print publications in the area have indicated their willingness to cooperate," said Ward, who will coordinate the program.

"The degree isn't new," he explained, "because the degree program in mass communications went into effect last fall, with an emphasis on radio-television. Eventually, we plan to make a third track—film making."

Rare in Nation
"Such a program under one roof is rare in this country. Our mass communications faculty, under the chairmanship of Prof. John Rider, is one of the few which carefully keeps this unity."

That is why I came to SIU-SW last fall. I was tired of the media being separated. "We'll team-teach in our expanded program. This will be better for the students because they will be able to take courses in all the news media."

A secondary concentration will be required, the associate professor said, involving 27 quarter hours of electives. These hours can be combined for a double major, Ward said, citing for examples English (33 hours), government (46), sociology (48) and history (37).

Skills, Theory, Practice
"To ensure thorough preparation and breadth of contract with journalism," he said, "each student will be required to work in five areas. He will devote 30% of his time to skills courses; 33% must be devoted to the study of the philosophy, history, theory and performance and behavior of journalism. As an upperclassman, he must gain practical experience with campus publications and with professional media."

Courses will be divided by levels of ability through which a student can progress at his own speed and ability. The student will be able to write much

of his own program at the senior level.

A native of Hanley, Saskatchewan, Canada, Prof. Ward is in his fourteenth year as a teacher, including two and a half years at the Newhouse Communications Center at Syracuse University in New York. He received his bachelor and master degrees from Mankato State College in Minnesota.

Author of five books on the student journalist and newspapering, Ward has written a number of articles, some of which have appeared in the Christian Science Monitor, The Wall Street Journal and The National Observer.

Workshop for Nurses, Social Workers Set

A two-day workshop for professional nurses, social workers, teachers and parents of mentally retarded children will be offered jointly by the Child Development Clinic and the St. Louis University School of Nursing and Allied Health Professions, May 14-15 at Busch Memorial Center, United States room, Grand and Laclede avenues, from 9 a.m. to 4 p.m.

Workshop theme is "Assessment and Management of the Mentally Retarded Child." An in-depth study and discussion on new concepts in the assessment and management of the mentally retarded child in his daily environment will be presented.

Tuition is \$15 and further information may be obtained from John A. Grellner, co-ordinator, Medical Center Programs, Metropolitan College, St. Louis University, 3673 West Pine Blvd., St. Louis, or phone 314 Jefferson 5-3300, ext. 393.

Building Unsafe, City Barricades Sidewalk

The sidewalk in front of a vacant store at 1909-11 State street was barricaded by the city this week as officials feared the front of the brick building may cave in.

Orylle Beldour, building inspector, said the building is owned by Mrs. D. L. Kacaleff, whom he had been trying to contact to have repairs made.

He was afraid that falling bricks would injure passersby as damage property as had occurred years ago at a store building on 19th street.

Former Grand Jurors Forming Association

Organization of the Madison County Grand Jury Association is being announced by Nicholas G. Byron, assistant state's attorney.

The group, to be composed of persons who have served on grand juries since Jan. 27, 1969, will hold its first meeting at 7:30 p.m. May 20 at the Montclair bowl in Edwardsville. Invitations are being extended to about 100 former grand jurors who are eligible to join the organization.

Grand jury service is the equivalent of four months of education in the law as it relates to various crimes, county politics and other civic matters, Byron said.

By the time a grand juror's tenure is finished, he is well informed and sophisticated in these matters and many former grand jurors have indicated they would welcome a way to continue their interest in the services they studied while serving on the grand jury, he added.

GC Jaycees Set Annual Homecoming June 18-21

Bigger and better entertainment, including admission free country-western and rock 'n' roll shows, midway rides and specialty booths, is planned by the Granite City Jaycees for the annual "Homecoming Celebration" next month.

Stanley Noe, Jaycee president, announced the ninth annual "Jaycee Homecoming" will take place Thursday through Sunday, June 18 to June 21, at Namecki Village shopping center parking area.

He also announced the appointment of Albert Delay as homecoming general chairman. City council approval for the homecoming was granted Monday night.

Booth space for the four-day event currently is being allocated to local groups, Delay said.

The chairman noted that any organization, business firm or individual wishing to reserve space at the homecoming may contact Jim Jeffries, at 877-8806, for information.

Delay reported that Ray Szwarc Co. of Belleville again will furnish a wide assortment of carnival rides.

Tentative plans also call for country-western shows on Friday and Saturday, presented by the "Lane Gang," and rock 'n' roll sessions on Thursday and Sunday.

More than 1500 persons attended the patient focused program at the Alton State Hospital Open House, on Sunday, according to an announcement Tuesday by Dr. Abraham Simon, superintendent of the hospital.

Residents of the hospital served as tour guides of their particular unit and wards. Highlights of the day's program was a film slide on "Drug Abuse" and touring of the three newly remodeled buildings opened for occupancy this year, as well as the medical-surgical building opened in June 1968.

2 No-Parking Zones Ok'd by GC Council

Ordinances establishing no-parking zones with fines ranging from \$5 to \$100 were approved Monday night by Granite City council members.

No stopping or standing of vehicles for 40-feet on either side of the crosswalk entrance at American Steel Foundries on both sides of Niedringhaus avenue will be permitted.

The other no-parking zone is at the northwest corner of Niedringhaus avenue and Benton street, 30-foot no-parking zone on Niedringhaus and a 40-foot zone on Benton street.

New State Income Tax Revisions Seek to Ease Taxpayers' Problems

(Springfield Scene)

Amendments to the Illinois income tax designed to simplify individual income tax returns, abolish the tax on the sale of a home and on pension plans, and revise capital assets reporting, have been introduced by Senate President Pro Tem W. Russell Arrington, Evanston Republican.

These amendments represent a year of research and experience with the income tax, Arrington said.

The Administration amendments, embodied in S. 1450-1456, are designed to:

1. Change capital gains to match federal IRS provisions and drop the Aug. 1, 1969, cut-off date.
2. Ease requirements on lump sum distributions of employee benefit plans.
3. Exempt government bond interest.
4. Exempt gain on sale of a residence.
5. Clarify resident and non-resident income allocations.
6. Clarify computation of foreign tax credits.
7. Change and ease various other corporate and business computation and collection problems.

The amendments also reduce the size of the Illinois income tax form to one page and eliminate all supplemental schedules.

The sponsor admitted the revenue loss to the state has not yet been determined with any precision, but estimated it at between \$3 million and \$4 million.

Bills to replace revenues lost to local governments through enactment of two tax amendments last year have been favorably reported by the House Revenue Committee.

H. 3819, 3820 and 3821 call for establishment of a Local Property Tax Replacement Fund.

The fund would be financed by transferring 1/24th of the state income tax receipts for use by those local units to the extent which will lose an estimated \$40 million next year because of exemptions on personal property and real estate taxes.

The bills were amended to exclude local units not eligible for sharing state income tax revenues.

Even though the bills are a good attempt to remedy the problem, they fall far short of the need since local governments still would lose nearly \$64 million in 1970-71.

The bills would come far closer to meeting the needs if the fund called for 1/12th of the income tax revenues and the return to local governments still would not completely fill the revenue gap.

A tough environmental protection act, supported by Governor Ogilvie, passed the House Executive Committee.

The main bill (H. 3785) creates an act to protect the environment of the state through the regulation of air pollution, water pollution, public water supplies, land pollution, noise and solid wastes and water.

It also provides for the enforcement of existing environmental laws, and establishes for violations, and establishes an Environmental Protection Agency, Pollution Control Board and Institute for Environmental Quality.

The sponsor, Rep. George Burdett, LaGrange, said he reviewed the bill with the House Executive Committee for more than 10 amendments and tacked on 15 amendments.

Much of the discussion centered around one section of the 28-page bill which would have allowed any citizen to sue a polluter in court for damages, with the burden of proof shifted to the defendant.

Burdett told the Committee he could not support the provision.

The section also allowed injunctive relief by individual citizens and the Committee agreed to strike the provision of allowing citizens to sue for damages but allow suits for injunctive relief which, if instituted, would force defendants to pay court costs and fees.

Another amendment would require enforcement personnel to obtain a search warrant to inspect and investigate possible violations in industry.

Campus Tragedy Reaffirms the Wise Advice That Tumult Cannot Substitute for Debate

When Vice-President Agnew says that many campus and non-campus militants are committed to "criminal violence, anarchy and the destruction of the United States," he does not overstate the case. It is unfortunate but true that organized and unorganized groups of students and others are utilizing physical force as well as verbal taunts to undermine the operation of universities and other facets of life in America.

Everyone is shocked and saddened by the death this week of four Kent State University students during a confrontation between demonstrators and National Guardsmen at the Ohio campus. These particular students may have done nothing to justify severe punishment, much less death, although it seems clear they did ignore repeated orders to leave.

It is difficult to sort out precise cause and effect in such a conflict. It also is difficult to consider the May 4 tragedy at Kent without also recalling the May 1, 2, 3 and 4, 1968, riotous and the May 2 fire which destroyed the Reserve Officer Training Corps building on the same campus. On May 3, five students and a guard were injured in a clash, a fully visible warning that the brand of dissent being expressed there constituted a "powder keg" about to explode. Sniping was reported May 4 prior to the fatalities inflicted by the troops.

Two bills (H. 3584 and H. 3585) allowing the state FEPC to initiate complaints of unfair practices have passed the House Judiciary and Labor Relations Committee.

Two bills, H. 3519 and H. 3775, which add an article to the State Insurance Code, H. 3625 through 3631, liquidation of insolvent insurance companies have been cleared by the House Insurance Committee.

A bill which would have banned the sale of motor fuel containing lead, H. 3783, has been defeated in the House Public Welfare Committee.

The Senate has passed S. 1301-1302 which appropriate \$400,000 for printing and mailing proposals in would constitute amendments written by Con. Con.

At the Constitutional Convention, the Local Government Committee has reached a compromise on what governments get home rule and the return to local governments still would not completely fill the revenue gap.

A tough environmental protection act, supported by Governor Ogilvie, passed the House Executive Committee.

The main bill (H. 3785) creates an act to protect the environment of the state through the regulation of air pollution, water pollution, public water supplies, land pollution, noise and solid wastes and water.

It also provides for the enforcement of existing environmental laws, and establishes for violations, and establishes an Environmental Protection Agency, Pollution Control Board and Institute for Environmental Quality.

The sponsor, Rep. George Burdett, LaGrange, said he reviewed the bill with the House Executive Committee for more than 10 amendments and tacked on 15 amendments.

Much of the discussion centered around one section of the 28-page bill which would have allowed any citizen to sue a polluter in court for damages, with the burden of proof shifted to the defendant.

Burdett told the Committee he could not support the provision.

The section also allowed injunctive relief by individual citizens and the Committee agreed to strike the provision of allowing citizens to sue for damages but allow suits for injunctive relief which, if instituted, would force defendants to pay court costs and fees.

Another amendment would require enforcement personnel to obtain a search warrant to inspect and investigate possible violations in industry.

In the wake of the Ohio tragedy, there is a need for all to look inwardly, search their minds and souls, and adopt new attitudes and conduct which justified the violence must prevail over violence in the world, in the nation and in each American's daily life.

Everybody for Better Madison Tavern Controls So There Is No Need to Wait

If Madison aldermen really want to take the tavern control issue out of politics and out of the July 28 mayor election, there is one additional step they can take at this time—enactment of uniform closing hours and a call for enforcement of existing laws regarding the age and condition of patrons, sanitation, loitering, etc.

We do not question the sincerity of the pledge by six aldermen to solve tavern problems through a post-election nine-point study program carried out in cooperation with a citizen group to be formed. But it is a fact that numerous studies and suggestions have been made by officials on this subject in recent years, without concrete action.

When any question is studied, re-studied and then studied some more, the "tell it like it is" message is: "Frankly, we really don't want to change anything, but we're trying to placate the public with a bit of confusion and oratory. We'll 'dazzle them with our footwork,' maybe they won't notice that we're not moving in the direction they want."

The reason we think the council could proceed with affirmative action at this time is that both Acting Mayor Raymond Koskoff and Mike Sasyk, the mayor choice of the City Organization executive board, are on record as favoring stricter tavern controls. Probably the other mayor candidates feel the same.

Since the mayor aspirants and councilmen have verbally painted themselves into the same corner, the better way to keep the issue from becoming a political football would be to go ahead now with earlier closing hours and whatever other new controls are reasonable. It can hardly be said that one group of aldermen is better than if all have already said they support the crackdown.

Further delay at this stage could and undoubtedly would create a "credibility gap."

Faster Sentencing Could Reduce Chance of Repeat Offenses by Convicted Criminals

State's Attorney R. W. Griffith Jr. has proposed partially solving several pressing problems by reducing the interval between conviction and sentencing from 30 to seven working days.

There would be a smaller number of prisoners at the ancient Madison county jail most of the time, and those convicted would begin their prison terms or probation without an extended jail stay. Most important of all, there would be less chance of people gaining freedom on bond and going out on their final pre-arrest spree motivated by thoughts of "I've got nothing to lose."

Public Defender G. Edward Moorman agrees, noting that motions for new trials could be made orally rather than in writing, or written motions for retrial could be made after sentencing.

What they suggest makes a lot of sense, and we would like to see it tried on an experimental basis.

Ugly Goalies the Price of Hockey Safety?

Blues hockey goalie Jacques Plante has profited financially from the mask he invented and popularized. He receives an annual \$100,000 salary. Suffering a cerebral concussion when struck in the forehead by a puck streaking toward the goal, he might have been hurt much more seriously if he had not been wearing the protective device on his head.

What he perhaps should work on next is the appearance. Most goalies are reasonably handsome athletes but on the ice, they appear to be grotesque "plasma" of the opera. How about a Clark Gable or Paul Newman model?

On July 28, let's elect Mike Sasyk to once again restore control in our city's government.

THOROUGHLY DISGUSTED
MADISON RESIDENT
POLITICAL MOTIVE IN
MADISON APPOINTMENTS

To the Editor: We, as a group of women interested in Madison's welfare, attended a council meeting Tuesday night, April 28.

The tactics we observed there were so unbelievable that we felt the public should be made aware of them.

Raymond Koskoff is evidently using his title of "acting mayor" to further his own selfish political interests.

It is personally, have had the rewards of their efforts several times within the year for apprehending suspects and alienating me at once concerning breaks, as well as protecting my property until I could arrive at the city.

The very least they deserve is a public "Thank you, for a job well done."

TAX ARTICLES HELPFUL
To the Editor: On behalf of the Department of Revenue, I want to thank you very much for your cooperation in disseminating Illinois income tax information to the public.

The job of implementing Illinois' first income tax has not been easy. Without the assistance and cooperation of your newspaper, the job would have been much more difficult.

Do we want a ruler as our Governor? Of course not. Do we want a ruler as our Mayor? Of course not. Do we want a ruler as our State's Attorney? Of course not. Do we want a ruler as our City Clerk? Of course not.

Purchasing Power Shows No Change

(Bureau of Labor Statistics)

The purchasing power of the national rank-and-file worker was virtually unchanged in March, as gains in average take-home pay were offset by the continued rise in consumer prices.

Gross weekly earnings increased to \$117.85, a gain of 0.5% from February, and up \$5.88, or 5.3%, from a year earlier.

The over-the-month gain resulted from a 0.1-hour increase in the workweek and a one-cent rise in hourly earnings. After adjustment for price increases, gross weekly earnings were down 0.7% over the year.

Spentable earnings, or average weekly pay after deductions of Social Security and federal income taxes, increased by 53 cents in March to \$103.10 for the worker with three dependents. Compared to March 1969, the worker's take-home pay was up by \$5.34, or 5.5%.

Real spendable earnings—what the worker actually gets to spend—were up 1957-59 to reflect consumer price changes—were unchanged at \$77.40 in March for the worker with three dependents.

Real earnings were 0.6% below the March 1969 level and 2.8% below the record high reached in September 1968.

Over-the-month gains in purchasing power among workers in contract construction and manufacturing were countered by declines in mining, trade and finance, insurance and real estate.

The Consumer Price Index rose 0.5% in March to 133.2 (1957-59=100).

A sharp rise in charges for consumer services, resulting mostly from increases for mortgage interest and medical care services, accounted for most of the rise.

Commodity prices were up less than in February because of a much smaller increase in food prices.

The increase put the all-items index 6.1% above a year ago.

On a seasonally adjusted basis, the CPI rose 0.4% in March compared with 0.9% in February. Increases in prices of food and other nondurable commodities were smaller in March than in the previous month.

Approximately 79% of the increase in March resulted from price increases for consumer services. Home mortgage interest payments again were up appreciably from February.

Other services associated with housing also continued to climb by increases for property taxes, home repair services, and residential telephone and water service.

Prices of medical care services posted their largest monthly increase in March, mostly because of increases of physicians' fees and hospital room rates.

Food prices were up considerably less in March than in February. Egg prices fell significantly from the high they do not do a large offset price increases for nearly all other foods.

Other nondurable goods were up slightly more than usual but substantially less than last month as prices of apparel, furniture, and appliances rose more slowly and gasoline fell appreciably.

Prices of consumer durable goods, usually unchanged between February and March, rose 0.4%.

The increase was the price change behind the larger-than-seasonal advance in non-food commodity prices and resulted from price increases for furniture, appliances and recreational equipment.

Prices of both new and used cars declined; for new cars it was the first seasonally-adjusted decrease since last September.

Many are Richer Than They Think

By R. NEAL FULK, President

Illinois Society of Certified Public Accountants

Reassured by the knowledge that the first \$60,000 of income is exempt from federal tax, most Americans disregard the need to arrange their financial affairs so as to minimize the taxes their survivors may have to pay.

But many persons who believe their assets are too small to be affected by inheritance taxes may be overlooking the fact that this will diminish the assets they will leave to their heirs.

Even the latest year on which figures are available, 1967, Americans left estates on which federal estate taxes were due, with the assessments totaling nearly three billion dollars.

In addition, most states levy death taxes, many of which are based on the \$60,000 level.

Very possibly, a good percentage of those 67,400 persons whose estates are valued at \$60,000 or more, are realizing their earnings years of life the value of their holdings. As a result, they neglected the estate planning that could have reduced the taxes on what they left to their wives, children and others.

Life insurance, including that on which premiums are paid by one's employer, plus estate, bank accounts, and other holdings, even though held in joint name, often boost a person's assets well above what he believes them to be.

For many Americans, the largest assets consist of life insurance, and there are a number of ways in which an insurance program can be arranged to take full advantage of the tax benefits.

One way is to transfer ownership of a policy to the beneficiary.

Another tax-saving device is for the testator to buy certain U. S. government bonds which can be used to pay estate taxes. Such bonds are accepted for tax payment at their face value, but are currently selling at substantial discounts from face value.

Tax considerations aside, lawyers, bankers, insurance men and CPAs agree that there is no one who has the time to establish an estate planning program and to review it periodically.

Student Aid Forms Now Available at SIU

Students entering Southern Illinois University, Carbondale, this summer or fall and students who are re-entering are reminded that ACT family financial analysis forms must be filled out in order for a student to receive any kind of financial aid.

This applies to part-time employment as well as scholarships, loans and grants, according to Raymond P. DeJarnett, assistant director of SIU student work and financial assistance. DeJarnett said students who have previously been enrolled must fill out new forms every year.

DeJarnett also said that application for particular kinds of assistance must be filed and that both the ACT forms and financial assistance forms should be filed in the very near future because processing takes time.

He emphasized that even if a student does not plan to enter SIU until next fall it is advisable to act immediately to make sure that approval is granted before all available funds are allocated. Priority is based not only on need but on promptness, he said.

The blank forms may be obtained by high school students or by their guidance counselors or by writing: Student Work and Financial Assistance, Southern Illinois University, Carbondale, 62901.

Those winning second place ratings included: flute, Susan Vinson; clarinet, Gary Kary and Virginia Munoz; alto saxophone, Steven Burch, and a cornet trio, Linda and Jill Van Metre and Darrell Cook.

Venice junior high school had only one student, Kenneth Rannick, to attend the contest in the baritone horn solo. He received a first place rating.

The Venice band is directed by Don Mancell. Although several other students had qualified to attend the state contest they were unable to attend.

St. Teresa Juniors Receive Class Rings

The class of 1971 of St. Teresa Academy received class rings in recent ceremonies at Fischer's restaurant, Belleville.

The afternoon opened with a welcome by Sister Mary Simpson, principal, and with a brief message to the students from their class officers.

Rev. Stanley Roth, chaplain and instructor in religion, blessed the rings which were presented to the girls by Sister Mary Simpson, assistant principal, and Sister Celine Laurent, class moderator.

Luncheon was served to about 500, including most of the class of 1971 juniors, their relatives, friends and teachers.

The junior class presented Sister Mary Simpson with a check of \$100 as a gift to the school. It will be used to help finance office-area renovations this summer. A commemorative plaque will be placed in honor of the class of '71.

Miss Corzilius Named To Scholastic Office

Karen Corzilius, daughter of Mr. and Mrs. William R. Corzilius, 2100 Lindell Blvd., has been elected vice-president of Phi Theta Kappa, national honor scholastic society, at Aquinas College for the 1970-71 academic year.

Miss Corzilius, a freshman at St. Mary's liberal arts college, is a member of the Phi Theta Kappa chapter for women, is senior class vice-president for 1970-71, president of the Media Art club, on the dean's list and is active in swimming. Members of the society tutor students who want help and sponsor special seminars on campus.

2 Parochial Students Awarded Scholarships

Two Quad-City parochial school students have been granted scholarships to St. Teresa Academy, East St. Louis, for the next school year.

They are Stephanie Gerboe, daughter of Mr. and Mrs. James Gerboe, 2429 Angela drive, a member of St. Elizabeth's parish, and Rose Hudzik, daughter of Mr. and Mrs. Stanley Hudzik, 829 Greenwood street, Madison, a member of St. Mary's parish.

The school awarded 11 scholarships on the basis of examinations taken last January.

2 GC Students Chosen For Latin Conference

Brian Greathouse and Donna Williams, Granite City high school students, have been selected to attend the fifth annual high school Latin conference June 28 to July 4 at the University of Illinois.

They will have completed two years of Latin and were recommended by their Latin teacher, Francis Grabowski.

The conference will include studies in oral Latin, ideas in history, Roman politics, mythology, religious studies, ancient Greek and archaeology.

'J. Christopher' to Play at 'Y' Teen Town

The YMCA Teen Town will feature "J. Christopher" at its weekly dance from 8:30 to 11:30 p.m. Saturday.

The group last appeared at the "Y" in April and attracted a large crowd. "Seven" will play the following week, Friday, May 15.

Miss Juhasz
Is Engaged

Mr. and Mrs. Frank J. Juhasz of 10 Frontenac lane are announcing the engagement of their daughter, Miss Kathryn Mary Juhasz, to Darrel L. Kraus, a son of Mr. and Mrs. Karl Kraus of Memphis, Mo.

Miss Juhasz is a graduate of the Granite City high school and Missouri Baptist College in Hannibal, Mo. In the fall she will be a junior at Northeast Missouri State College in Kirksville, majoring in history.

Her fiancé was recently discharged from the U. S. Army after two years service, 14 months of which were in Vietnam. Wedding plans are indefinite.

ESA WEEK PROCLAMATION being signed by Mayor Donald Partney. On left is Miss Betty Melford, vice-president, and on right, Mrs. Betty Colligan, ESA president.

ESA Week Is Observed

May 1 to May 7 is being observed as ESA International Week by chapters of Epsilon Sigma Alpha, a women's organization devoted to philanthropic, educational and social endeavor, which is beginning its 41st year of service to communities, states and nations.

Mrs. Betty Colligan, local ESA president, said, more than four decades ago a group of outstanding women conceived the idea of a sisterhood based on the finest standards of character. This ideal was to be achieved through the close association of women studying together to develop such qualities as graciousness, self expression and leadership in an organization devoted to using these abilities in the service of mankind.

"Epsilon Sigma Alpha was the name selected for the organization and the first chapter was installed in Jacksonville, Tex., in 1929. Many famous educators and other prominent women helped to found ESA. The local chapter has planned several events for the week."

MISS MEFFORD IS HONOREE

Miss Cynthia Melford, another of the brides-to-be honored at recent parties, was entertained at a miscellaneous shower this week given by her sister, Miss Paula Melford, and an aunt, Miss Theresa Sternberg, assisted by Miss Debbie Curtis and Mrs. Betty Melford, mother of the honoree, in the social rooms of Good Shepherd United Methodist Church.

Aqua and white were the colors used in the appointments, together with white wedding bells, and the gift table was centered with a shower umbrella in the same colors.

Games were played and a number of prizes were awarded. Refreshments were served to about 40 guests.

The wedding of Miss Melford and Richard Bartling will take place June 27 at Nameoli Methodist Church.

ENGAGED. Miss Ruth Ellen Barney, whose betrothal to Howard R. McKay Jr. is announced.

WORTHY GRAND MATRON TO VISIT CHAPTER 650

Granite Chapter 650, Order of Eastern Star, will have an official visit of the Worthy Grand Matron Ruth H. Neilson, and Worthy Grand Patron Roland F. Trisworth to the lodge Friday evening.

Dinner will be served to the visiting officers and the chapter members at 6:30 at Nameoli Methodist Church, and the meeting will be held at the Masonic Temple at 8 o'clock.

Mrs. Mary Bilbey is worthy matron of Granite Chapter and Earl French is worthy patron.

June Wedding Is Planned

Mr. and Mrs. Royal K. Barney, 2533 Lynch avenue, are announcing the engagement and coming marriage of their daughter, Miss Ruth Ellen Barney, to Howard R. McKay, 441 South Wildwood avenue, Kankakee, Ill.

Miss Barney graduated in 1964 from the Granite City high school, and Illinois State University in 1969. She is presently a teacher of social studies in a Kankakee high school. Her fiancé, a graduate of Southern Illinois University, Carbondale, is now employed by the Marketing Trade Relations and Promotional Services division of General Foods.

The wedding will take place June 13 in Kankakee.

ROLLETTES CLUB

HOLDS MONTHLY MEETING

Members of the Rollettes Club met Monday evening in the home of Mrs. Helen Randolph, 2217 Dewey avenue, for their monthly meeting.

Games were played with the prizes going to the hostess, Mrs. Betty Brooks and Mrs. Phyllis Mosby.

A dessert course was served to those named and to Mesdames Carol Smith, Edith Wofford, Jeannette Wilson, Rosetta Radefeld, Velma Radefeld, Marlene Waggoner and two guests, Mrs. Carolyn Yates and Mrs. Kathleen Wofford.

DONALD PARTNEY, Mayor, Granite City

SHOWER HONORS

MRS. PAUL
Mrs. Arthur Paul, 2226 Lee avenue, was honored at a cradle shower given by Mrs. Diane Rayburn this week.

The guests were entertained at games, and prizes were awarded to Mrs. Martha Bailey, Miss Beverly Rustick, Mrs. Audrey Martin, Mrs. Alice Butkovich, Mrs. Anne Chaney and Mrs. Pat Hartman.

Others present to whom refreshments were served were Mrs. Helen Stimac and daughter, Mrs. Mary Rustick, Mrs. Jewel Agnes, Mrs. Alice Hartman, Mrs. Rose Guida and daughter, Mrs. Dorothy Chomko and daughter, Miss Madeline Petrillo, Miss Vickie Presswood, Judy, Janet, Kim and Gloria Hartman.

How to save about \$900 and lose \$3,000 . . . right on your own home.

Don't laugh. It could happen.
For instance, suppose you decide to sell your house. Yourself. You do. For \$15,000.
Great. But how did you arrive at that price? By guesswork. It takes a lot more than that to de-

termine a property's value. It takes a Realtor who knows houses and what they're worth.
He might find yours was worth \$3,000 more.
A fair price to buyer and seller. Of course, you'd save the Realtor's fee. But at quite a cost.

So when you decide to sell a house, use one of our Realtors. We're pledged to a strict code of ethics.
That's good. Especially if you want to make the best sale you can. Or, for that matter, the best buy.

TO THE BOARD OF TOWN AUDITORS:
In compliance with the law relating to roads and bridges, I submit to you my annual report as follows, showing:

(1) The amount of road money received by the district and a full and detailed statement as to how and where expended and the balances, if any, undistributed.

(2) The amount of liabilities incurred and not paid; and if such liabilities are determined they shall be estimated;

(3) An inventory of the tools having a present value in excess of \$50, plus machinery and equipment owned by the district and state of repair of these tools, machinery and equipment.

Any additional information pertaining to the district which I think expedient and proper to report.

The attached pages two through four is a complete list of expenditures and inventory for the fiscal year ending March 30, 1970.

Signed and sworn to before me on March 31, 1970.
THOMAS W. FOLEY, Highway Commissioner.

Honor Smith at Major Dinner in Chicago June 11

U. S. Senator Ralph Tyler Smith (R., Ill.) will be honored at a major fund-raising dinner Thursday, June 11, at the Conrad Hilton Hotel in Chicago.

William T. Ylvisaker, board chairman and chief executive officer of Gould, Inc., has accepted chairmanship of the dinner. He said that both the International Ballroom and the Grand Ballroom have been reserved for the event, and additional rooms will be available to accommodate the expected overflow crowd.

The roster of the dinner committee includes prominent Illinois businessmen and civic leaders. John H. Altorfer, Peoria industrialist, and James S. Kemper Jr., of the Kemper Insurance Co. are playing important parts in activities of the committee.

Smith to Speak

Smith will deliver a major address at the dinner, which is expected to be the principal funding event in the campaign for retention of his seat in the U. S. Senate.

The event will be sponsored by the Illinois Citizens for Senator Ralph Tyler Smith and is expected to attract Democrats and independents as well as Republican supporters of the senator.

Tickets will be \$100 and letters have been sent to solicit support on a statewide basis. In the letter, Ylvisaker and Thomas A. Reynolds Jr., finance chairman for the Smith Campaign Committee, wrote:

"In the November election, you will decide which of two men is best qualified to represent your interests in the U. S. Senate."

"In effect, you will be voting for the retention of traditional Illinois concepts of government as represented by Senator Smith, an experienced candidate with 15 years of legislative leadership in the Illinois House of Representatives—a candidate who deeply believes in an orderly and lawful society."

"The alternative is to settle for a candidate with little experience."

GC Residents Attend Funeral of Sister

Funeral services were held Monday in Dillonville, Ohio, for Mrs. Mary Garble of that community, who died Friday. She leaves three sisters and two brothers here.

Attending the funeral were Mrs. Garble's sisters, Mrs. Helen Cavar, Mrs. Margaret Cavar and Mrs. Rose Kiselka; her brothers, Pete Oros and Joseph Yoboy; and a sister-in-law, Mrs. Mary Yoboy and son, John. All are Quad-City residents.

Seminar on Drug Abuse Set Saturday at School

Plans have been completed for a public seminar on drug abuse to be held at 8 a.m. Saturday in the Granite City high school auditorium. It was announced by John Harizal, chairman.

It will be open to junior and senior high school students, seventh and eighth grade parochial school students, parents and concerned adults. It is being sponsored by the GCHS Student Council.

A welcome and introduction will be made by Gerald Brown, school counselor and head of the drug department at the high school.

Moderator will be Pete Carich, who coordinated the forum. Carich, a Granite City resident, is a teacher at Ritenour high school, St. Louis, where he initiated a program on family relations for teenagers.

Representing the law enforcement view will be Demos Nicholas, chief assistant deputy sheriff of Madison county. He will be followed by Chief Circuit Judge Joseph J. Barr who will discuss the legal implications of the drug dilemma.

A short break will follow, allowing members of the audience to ask questions or express opinions. Jack Feeley of Narcotics

coities problem from all aspects, Harizal said. He added that authorities in the field believe that education of the community as a whole is a major cure for the problem.

School Windows Broken

Four classroom windows at Frohardt school were broken last Friday evening, it was reported Monday. A baseball was found inside the room.
